

You must also include with your request sufficient data for FNS to verify your identity. If the sensitivity of the records warrant it, FNS may require that you submit a signed, notarized statement indicating that you are the individual to whom the records pertain and stipulating that you understand that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to \$5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released. If FNS determines to grant the requested access, fees may be charged in accordance with § 1.120 before making the necessary copies. In place of a notarization, your signature may be submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization.
