Steel Concrete Reinforcing Bar From the Republic of Turkey: Rescission of Countervailing Duty Administrative Review; 2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on steel concrete reinforcing bar (rebar) from the Republic of Turkey (Turkey), covering the period January 1, 2020, through December 31, 2020.

DATES: Applicable October 8, 2021.

FOR FURTHER INFORMATION CONTACT: Peter Shaw, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0697.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2021, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on rebar from Turkey.¹ On July 30, 2021, the Rebar Trade Coalition (the petitioner) timely requested that Commerce conduct an administrative review of Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S (Habas).² We received no other requests for review. On August 29, 2021, Habas notified Commerce that it had no sales, shipments, or entries of subject merchandise during the period of review (POR).³ On September 7, 2021, Commerce published in the **Federal Register** a notice of initiation of an administrative review with respect to Habas, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).⁴ On September 15, 2021, Commerce issued a no-shipment inquiry to U.S. Customs and Border

Protection (CBP) to corroborate Habas’ claim.⁵ On September 23, 2021, Commerce notified all interested parties that CBP found no evidence of shipments of subject merchandise produced and exported by Habas during the POR.⁶ That same day, Commerce provided all parties an opportunity to comment on CBP’s findings.⁷ No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.¹⁰ As noted above, CBP confirmed that there were no entries of subject merchandise during the POR with respect to Habas, the only company subject to this review. Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Because Commerce is rescinding this review in its entirety, the entries to which this administrative review pertained shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in

Certain Activated Carbon From the People's Republic of China: Notice of Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) of the antidumping duty (AD) order on certain activated carbon (activated carbon) from the People's Republic of China (China). Further, Commerce preliminarily determines that Ningxia Huahui Environmental Technology Co., Ltd. (Huahui Environmental) is the successor-in-interest to Ningxia Huahui Activated Carbon Co., Ltd. (Ningxia Huahui), and should be assigned the same AD cash deposit rate for purposes of determining AD liability on activated carbon from China. Interested parties

are invited to comment on these preliminary results.

DATES: Applicable October 8, 2021.

FOR FURTHER INFORMATION CONTACT: Jinny Ahn, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0339.

SUPPLEMENTARY INFORMATION:

Background

On April 27, 2007, Commerce published the AD order on activated carbon from China, which included Ningxia Huahui.¹ Pursuant to the *Order*, Commerce assigned Ningxia Huahui an AD cash deposit rate, of 67.14 percent, based on the non-selected respondent rate.² In the most recently completed administrative review covering the period April 1, 2018, through March 31, 2019, we assigned Ningxia Huahui a separate rate, as a non-individually examined exporter under review.³

On August 20, 2021, Huahui Environmental requested that Commerce conduct a CCR of the *Order* to confirm that “Ningxia Huahui Environmental Technology Co., Ltd.” is the successor-in-interest to Ningxia Huahui and that it be subject to Ningxia Huahui’s AD margin for activated carbon from China.⁴ No interested parties filed comments opposing the CCR request.

Scope of the Order

The merchandise covered by the scope of this order is activated carbon. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁵

Methodology

We are conducting this CCR in accordance with section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216. For a full

description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>.

Initiation and Preliminary Results of CCR

Pursuant to section 751(b)(1) of the Act, and 19 CFR 351.216, Commerce will conduct a CCR upon receipt of information concerning, or a request from an interested party for a review of, an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by Huahui Environmental supporting its claim that Huahui Environmental should be treated as the successor-in-interest to Ningxia Huahui, demonstrates changed circumstances sufficient to warrant such a review.⁶ Therefore, in accordance with 751(b)(1)(A) of the Act and 19 CFR 351.216(d), we are initiating a CCR based on the information contained in the CCR request.

Pursuant to 19 CFR 351.221(c)(3)(ii), Commerce can combine the notice of initiation of a CCR and the notice of preliminary results of a CCR into a single notice if Commerce concludes that expedited action is warranted. In this instance, because the record contains the information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.⁷ In this CCR, pursuant to section 751(b) of the Act, Commerce conducted a successor-in-interest analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier
