

determined that a violation has occurred as to Mr. Li. Bellsing had previously been found in default, and the Commission finds a violation has occurred as to Bellsing. Specifically, the Commission finds that (1) Mr. Li has met the importation requirement on modified grounds, and affirms the ID's remaining findings on importation; (2) Mr. Li has used and/or disclosed each of RTS Nos. 1–10; (3) RTS No. 6 has been misappropriated; and (4) affirms the IDs findings on domestic industry. All findings in the ID that are not inconsistent with the Commission's determination are affirmed.

Accordingly, the Commission finds that there is a violation of section 337. The Commission has determined that the appropriate remedy is a GEO and CDOs directed to each of the Bellsing respondents and Mr. Li. These orders bar Bellsing and Mr. Li's unfair acts for a duration of twenty-six (26) years. The Commission has also determined that the public interest factors enumerated in subsections 337(d)(1) and (f)(1) (19 U.S.C. 1337(d)(1), (f)(1)) do not preclude the issuance of the GEO and CDOs. The GEO is directed to covered products that are made by, for, or on behalf of Bellsing and/or Mr. Li. The GEO reaches downstream products incorporating the covered products. The GEO includes a provision requiring any importer seeking to import the covered products (or products containing them or the components thereof) manufactured by or for Bellsing and/or Mr. Li or their affiliates or successors, to obtain a ruling from the Commission prior to the importation of the articles, finding that they are not subject to the GEO. The Commission has set the bond at one hundred percent (100%) of the value of the entered products imported by or on behalf of Bellsing and/or Mr. Li and sets a zero percent (0%) bond (*i.e.*, no bond) for downstream products or components thereof. The investigation is terminated.

The Commission's orders and opinion were delivered to the President and to the United States Trade Representative on the day of their issuance.

The Commission vote for this determination took place on October 4, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Consent Decree Under the Oil Pollution Act

On October 4, 2021, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Louisiana in *United States and State of Louisiana v. American Commercial*

*Barge Line LLC*, Civil Case No. 2:21-cv-01818 (E.D. La.).

The United States is acting at the request of the designated federal trustees: National Oceanic and Atmospheric Administration and the United States Department of the Interior through the United States Fish and Wildlife Service. The State of Louisiana is acting through its designated State trustees: The Louisiana Oil Spill Coordinator's Office, Department of Public Safety & Corrections, Louisiana Department of Natural Resources, Louisiana Department of Environmental Quality, Louisiana Department of Wildlife and Fisheries, and the Coastal Protection and Restoration Authority.

The Complaint in this natural resource damages case was filed against Defendant American Commercial Barge Line LLC ("ACBL") concurrently with the lodging of the proposed Consent Decree. This is a civil action for recovery of damages for injury to, destruction of, loss of, or loss of use of natural resources, under Section 1002 of the Oil Pollution Act ("OPA"), 33 U.S.C. 2702, and Section 2480 of the Louisiana Oil Spill Prevention and Response Act ("OSPRA"), La. Rev. Stat. 30:2480. The United States and the State of Louisiana seek damages in order to compensate for and restore natural resources injured by ACBL's oil discharge from its Barge DM-932 into the Mississippi River on or about July 23, 2008. The United States and the State also seek to recover unreimbursed costs of assessing such injuries and planning for restoration.

Under the proposed Consent Decree, ACBL will pay \$2,071,212 to the trustees to restore, replace, or acquire the equivalent of the natural resources allegedly injured, destroyed, or lost as a result of the oil spill. ACBL also will effect the transfer of title and preservation of approximately 649.1 acres of forested woodland habitat in Plaquemines Parish, Louisiana near the English Turn of the Mississippi River. ACBL has already paid \$1,320,961.72 to the trustees for past assessment and restoration planning costs.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and State of Louisiana v. American Commercial Barge Line LLC*, DJ# 90-5-1-1-10875/1, Civil Case No. 2:21-cv-01818 (E.D. La.).
