Abstract: The Consolidated Appropriations Act, 2021 (Pub. FFWR is authorized pursuant to Title VII, subtitle B, section 751 of the Consolidated Appropriations Act, 2021 in response to the ongoing COVID-19 pandemic and the need for worker protections. USDA AMS requests to collect information for this new grant program from grant applicants, including state agencies, tribal entities and non-profit organizations working to support farm workers, meatpacking workers, and grocery workers.

The information collected from respondents is for application to this voluntary, competitive grant program. The information collected is used only by authorized representatives of USDA, AMS, Transportation and Marketing Program’s Grants Division to determine applicant eligibility and the data collected is the minimum information necessary to effectively carry out the program requirements.

This emergency information collection is necessary to enable USDA AMS to immediately publish a Request for Applications (RFA) and enable eligible entities to prepare their applications for submission.

Upon OMB approval of the emergency FFWR information collection package,

AMS will initiate a normal information collection approval.
