SUPPLEMENTARY INFORMATION: The WLA Campus master planning initiative was launched in 2015 with significant participation and collaboration on concepts from various stakeholders including: Veterans Service Organizations, Veterans, former plaintiffs of the lawsuit, local community entities and individuals, charitable and philanthropic entities, elected officials, state and local authorities, and many other stakeholders. More than 1,000 public comments were received on the preliminary draft. The Secretary of VA (SECVA) adopted the DMP in January 2016, sealing VA's commitment to the "framework" expressed in the DMP.

In keeping with VA's goals to reach as many Veterans as possible and to ensure that those Veterans receive the services that they need the most, VA has decided to make Master Plan 2022 draft, the most recent update to the Draft Master Plan, available for viewing at <https://www.westladraftmasterplan.org> and invite members of the public and other interested parties to review the updated Master Plan and to comment on it.

This update that is being made available for public comment, Master Plan 2022 draft, will move from the draft and framework concepts to: (1) Solidify accomplishments to date, (2) explain the committed path for a community plan, and (3) provide the path forward identifying strategic options.

After the public comment period for this notice has closed, VA will make any necessary adjustments to the Master Plan 2022 draft for submission to Secretary McDonough.

Authority: Title 38 United States Code (U.S.C.) 3680A(d) and 38 Code of Federal Regulations (CFR) 21.4201.

Title: 35% Exemption Request from 85/15 Reporting Requirement, VA Form 22–10216.

OMB Control Number: 2900–NEW.

Type of Review: New collection.

Abstract: The Department of Veterans Affairs (VA) is authorized to pay education benefits to Veterans and other eligible persons pursuing approved programs of education under chapters 30, 31, 32, 33, and 35 of title 38, U.S.C., and chapter 1606 of title 10, U.S.C.

As part of the benefits authorization process, Code of Federal Regulations (CFR) Title 38 § 21.4201 places

restrictions on enrollment based on the percentage of students receiving financial support in any approved program. Except as otherwise provided by regulation, VA shall not approve an enrollment in any course for an eligible Veteran, not already enrolled, for any period during which more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees or other charges paid for them by the educational institution or by VA under title 38, U.S.C., or under title 10, U.S.C. This is known as the 85/15 Rule and is applicable to Institutions of Higher Learning (IHLs) and Non-College Degree postsecondary schools (NCDs).

The requirements apply to all courses, not otherwise exempt or waived, offered by all educational institutions, regardless of whether the institution is degree-granting, proprietary profit, proprietary nonprofit, eleemosynary, public and/or tax-supported. These schools are required to submit information necessary to determine if their programs of training are approved for the payment of VA educational assistance. This specified information is submitted either to VA or to the State Approving Agency (SAA) having jurisdiction over that school.

This regulation includes a provision that permits an exemption from routine reporting if this data for schools that

assert the number of VA beneficiary students in all programs approved for GI Bill never exceeds 35% of the total enrollment at the educational institution. If approved, such schools must still monitor and collect the data, but are exempt from routinely reporting it to VA.
