Need and Proposed Use of the Information: Recipients of a PRF payment agreed to a set of Terms & Conditions, which, among other requirements, mandate compliance with certain reporting requirements that will facilitate appropriate oversight of recipients’ use of funds.

Information collected will allow for (1) assessing whether recipients have met statutory and programmatic requirements, (2) conducting audits, (3) gathering data required to report on

findings with respect to the disbursements of PRF payments, and (4) program evaluation. HRSA staff will also use information collected to identify and report on trends in health care metrics and expenditures before and during the allowable period for expending PRF payments.

Likely Respondents: PRF recipients who have received more than \$10,000 in aggregate PRF payments during one of the Payment Received Periods outlined below and that agreed to the associated Terms & Conditions are required to submit a report in the PRF Reporting Portal during the applicable Reporting Time Period.

Reporting period	Payment received period (payments exceeding \$10,000 in aggregate received)	Reporting time period
