This Strategic Plan provides a framework that will support greater equity, customer service and technology modernization of SBA's programs while leveraging partnerships across the government and private sector to maximize the tools small business owners and entrepreneurs need to strengthen our economy, drive American innovation, and increase global competitiveness. The ELA sets a learning agenda to identify top priority evidence-building activities, such as program evaluation, research, and policy analysis.

The SBA proposes three strategic goals for the next five years: (1) Ensure Equitable and Customer-Centric Design and Delivery of Programs to Support Small Businesses and Innovative Start-ups; (2) Build Resilient Businesses and a Sustainable Economy; and (3) Implement Strong Stewardship of Resources for Greater Impact.
