The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: Student Assistance General Provisions—Non-Title IV Revenue Requirements (90/10).

OMB Control Number: 1845–0096.

Type of Review: A revision of a currently approved collection.

Respondents/Affected Public: Private Sector.

Total Estimated Number of Annual Responses: 10.

Total Estimated Number of Annual Burden Hours: 5.

Abstract: The regulations in 34 CFR 668.28 provide that a proprietary institution must derive at least 10% of its annual revenue from sources other than Title IV, HEA funds, identifies sanctions for failing to meet this requirement, and otherwise implement the statute. An institution discloses in a footnote to its audited financial statements the amounts of Federal and non-Federal revenues, by category, that it used in calculating its 90/10 ratio (see section 487(d) of the HEA).

The publication of final regulations on September 2, 2020, removed section 668.285(b) regarding Net Present Value in the calculation of the 90/10 ratio and reserved this subparagraph as of the effective date of the regulation, July 1, 2021. With the cancellation of the requirement to calculate the Net Present Value, we are revising the current information collection to estimate the burden for the reporting of the sanction to the Department only.

This request is to revise the currently approved information collection package, OMB Control Number 1845–0096, to include burden hours based on section 668.28(c) Sanctions. The information collection requirements in the regulations are necessary to determine eligibility to receive program benefits and to prevent fraud and abuse of program funds.

Dated: October 20, 2021.

Kate Mullan,

PRA Coordinator, Strategic Collections and Clearance Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
