

National Defense Authorization Act (Pub. L. 115–232), is designed to undertake long-term investments in critical skills, facilities, research and development, and small business support in order to strengthen the national security innovation and manufacturing base. The program also seeks to ensure complementarity of those communities so designated with existing Defense Manufacturing Institutes. Defense Manufacturing Institutes are manufacturing ecosystems established since 2014, with common manufacturing and design challenges revolving around specific technologies. The DMCSPP is designed to recognize communities that demonstrate best practices in attracting and expanding defense manufacturing. This information collection is necessary to facilitate the identification of new Defense Manufacturing Communities and the awarding of grants under the DMCSPP via a grant proposal package. The proposal package is prepared in accordance to a Federal Funding Opportunity Announcement posted on the *Grants.gov* website.

Affected Public: Businesses or other for-profit; Not-for-profit Institutions; State, Local or Tribal Government.

Annual Burden Hours: 525.

Number of Respondents: 75.

Responses per Respondent: 1.

Annual Responses: 75.

Average Burden per Response: 7 hours.

Frequency: Annually.

Respondents will be institutions of higher education or a consortium of higher education institutions; public or private non-profit consortium of defense industries; and state, local or tribal government organization. The proposal will consist of: (1) Defense Manufacturing Community Designation Concept (slide presentation, 10-slide maximum); (2) Defense Manufacturing Community Designation White Paper (20-page maximum); and (3) Any Necessary Supporting Documentation (25-page maximum). Respondents return the proposal package by uploading electronically on the *Grants.gov* website.
