This is consistent with the intent of the Patient Protection and Affordable Care Act, the implementing Health and Human Services regulations, and the limitations of Chapter 55 of Title 10. Section 702 allows qualified adult children not eligible for medical coverage at age 21 (23 if enrolled in a full-time course of study at an institution of higher learning approved by the Secretary of Defense) and are under age 26 to qualify to purchase medical coverage unless the dependent is enrolled in or eligible to purchase employer sponsored insurance per section 5000A(f)(2) of the Internal Revenue Code of 1986 or is married. The dependents shall be able to purchase either the TRICARE Prime or Select benefits depending on if they meet specific program requirements and the availability of a desired plan in their geographic location.
