

A proposed rule change filed under Rule 19b-4(f)(6)³⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),³¹ the Commission may designate a shorter time if such action is consistent with protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that it may become operative immediately upon filing to allow the Exchange to compete with exchanges that already have substantially similar products in place and to allow potential subscribers to use and test the data before purchasing the Open-Close Data Report. The Commission believes that, as described above, the Exchange's proposal does not raise any new or novel issues. Therefore, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission designates the proposed rule change to be operative upon filing.³²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93399; File No. SR-NYSE-2021-62]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the NYSE Proprietary Market Data Fee Schedule

October 21, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on October 14, 2021, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Proprietary Market Data Fee Schedule ("Market Data Fee Schedule") to delete reference to the NYSE Alerts market data product and associated fees from the Market Data Fee Schedule effective immediately. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

³³ 17 CFR 200.30-3(a)(12).

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Market Data Fee Schedule to delete reference to the NYSE Alerts market data product and associated fees from the Market Data Fee Schedule effective immediately.

In 2004, pursuant to Securities and Exchange Commission approval, the Exchange adopted the NYSE Alerts market data product.⁴ In 2019, the Exchange discontinued offering the NYSE Alerts market data product.⁵ As a result, reference on the Market Data Fee Schedule to the NYSE Alerts market data product and fees associated with the NYSE Alerts market data product have both become obsolete. Therefore, the Exchange proposes to remove reference to NYSE Alerts and fees associated with NYSE Alerts from the Market Data Fee Schedule. The proposed rule change is intended to streamline the Market Data Fee Schedule by eliminating obsolete rule text.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,⁷ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed rule change would remove

impediments to and perfect the mechanism of a free and open market and a national market system because it would eliminate rule text that is now obsolete, thereby improving the clarity of the Exchange's rules and enabling market participants to more easily navigate the Market Data Fee Schedule. The Exchange also believes that the proposed change would protect investors and the public interest because the deletion of obsolete text would make the Market Data Fee Schedule more accessible and transparent and facilitate market participants' understanding of the fees charged for services currently offered by the Exchange. The Exchange believes the proposed rule change is reasonable because it would streamline the Market Data Fee Schedule by deleting obsolete rule text. The Exchange believes deleting obsolete rule text would promote clarity to the Fee Schedule and reduce confusion to market participants as to which fees are applicable to them.

The Exchange believes deleting obsolete rule text would also simplify the Market Data Fee Schedule. The Exchange believes that deleting obsolete rule text from the Market Data Fee Schedule is equitable and not unfairly discriminatory because the resulting streamlined Market Data Fee Schedule would continue to apply to all market participants as it does currently because the Exchange is not adopting any new fees or removing any current fees from the Market Data Fee Schedule. All market participants would continue to be subject to the same fees that currently apply to them.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁸ the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, as discussed above, the proposal relates solely to elimination of obsolete fees and, as such, would not have any impact on intra- or inter-market competition because the proposed change is solely designed to accurately reflect the services that the Exchange currently offers, thereby adding clarity to the Market Data Fee Schedule.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
