SUPPLEMENTARY INFORMATION: PLO No. 7533 withdrew 1,265 acres of National Forest System lands in the Okanogan-Wenatchee National Forest from location and entry under the United States mining laws for a period of 20 years to protect the Holden Mine Reclamation Site, where the USFS has remediated for release of hazardous substances under the Comprehensive Environmental Response, Compensation, and Liability Act, including undertaking infrastructure improvements and capital investments in Chelan County, Washington. This notice advises the public of an opportunity to comment on the USFS application for the extension of the existing withdrawal for an additional 20 years and to request a public meeting. This notice also corrects the legal land description and acreage figure (from 1,265 acres to 1,285 acres) stated in PLO No. 7533. Unless extended, the withdrawal established by PLO 7553 will expire on August 5, 2022.

The legal land description and acreage figure written in PLO No. 7533 is revised to reflect the BLM Cadastral Survey's Specification for Descriptions of Land. The revised land description does not change the footprint of the lands withdrawn which is as follows:

Willamette Meridian

T. 31 N., R. 16 E.,
Protraction Block 37.

T. 31 N., R. 17 E.,
Sec. 8, S $\frac{1}{2}$ NE $\frac{1}{4}$, S $\frac{1}{2}$ NW $\frac{1}{4}$, and S $\frac{1}{2}$;
Protraction Block 37.

The area described contains 1,285 acres, according to the official protraction diagrams of said land on file with the BLM.

The use of a right-of-way, interagency agreement, or cooperative agreement would not constrain nondiscretionary uses or protect the capital investments made. There are no suitable alternative sites since the lands described in PLO No. 7533 identify the area as an ongoing reclamation project tied to the location of former mining activities.

No water rights will be needed to fulfill the purpose of this requested withdrawal extension.

Mining would be inconsistent with protecting the remediation work.

Comments, including name and street address of respondents, will be available for public review by appointment at the BLM, 1220 SW 3rd Ave., Portland, OR 97208 during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday except holidays. Call 503-808-6001 to make an appointment.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personally identifying information—may be made publicly available at any time. While you may ask the BLM in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting may be afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the application for this withdrawal extension must submit a written request to the State Director, BLM Oregon/Washington State Office at the address in the **ADDRESSES** section, within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the date, time, and place will be published in the **Federal Register** and local newspapers and posted on the BLM website at www.blm.gov at least 30 days before the scheduled date of the meeting. This withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4.

SUPPLEMENTARY INFORMATION: On September 3, 2020, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Steel Technology LLC d/b/a Hydro Flask and Helen of Troy Limited (collectively, “Complainants,” or “Hydro Flask”). 85 FR 55030–31 (Sept. 3, 2020). The Commission also permitted Hydro Flask to withdraw the amended complaint as to HydroFlaskPup, Yiwu Honglu Daily Necessities Co., Ltd., and Yiwu Houju E-commerce Firm. Order No. 22 (Apr. 7, 2021), *unreviewed by Notice* (Apr. 22, 2021).

On April 8, 2021, Hydro Flask filed a motion for summary determination of a violation of section 337 pursuant to Commission Rule 210.16(c)(2) (19 CFR 210.16(c)(2)) to support its request for entry of a GEO with respect to all asserted patents and trademarks. OUII filed a response in support of the motion on August 9, 2021.
