Title: Community Development Revolving Loan Fund—Loan and Grant Programs, 12 CFR part 705.

Abstract: NCUA’s Community Development Revolving Loan Fund (CDRLF or Fund) was established by

Congress (Pub. L. 96–123, November 20, 1979) to stimulate economic development in low-income communities. Part 705 was adopted by the Board under section 130 of the Federal Credit Union Act (12 U.S.C. 1772c–1), which implements the Community Development Credit Union Revolving Loan Fund Transfer Act (Pub. L. 99–609, 100 Stat. 3475 (Nov. 6, 1986)).

The Fund is used to support credit unions that serve low-income communities by providing loans and technical assistance grants to qualifying institutions. The programs are designed to increase income, ownership, and employment opportunities for low-income residents, and to stimulate economic growth. In addition, the programs provide assistance to improve the quality of services to the community and formulate more effective and efficient operations of credit unions. The information will allow NCUA to assess a credit union’s capacity to repay the Funds and/or ensure that the funds are used as intended to benefit the institution and community it serves.

Abstract: This rule prohibits, in certain circumstances, a federally insured credit union (FICU) from making golden parachute and indemnification payments to an institution-affiliated party (IAP). Section 750.4 prescribed written concurrence of the appropriate state supervisory authority, if applicable; § 750.5 covers recordkeeping requirements of permissible indemnification payments, and § 750.6 requires requests by a troubled FICU to make a severance or golden parachute payment to an IAP, to be submitted in writing to NCUA. The information will be used by the NCUA to determine whether an exception to the general prohibition on golden parachute payments should be approved.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 19.

OMB Number: 3133–0184.

Title: Requirements for Insurance-Interest Rate Risk Policy.

Abstract: Section 741.3(b)(5) of NCUA’s rules and regulations requires federally-insured credit unions with assets of more than \$50 million to

develop, as a prerequisites for insurability of its member deposits, a written interest rate risk management policy and a program to effectively implement the policy. The need for FICU to have a written policy to establish responsibilities and procedures for identifying, measuring, monitoring, controlling, and reporting, and establishing risk limits are essential components of safe and sound credit union operations and to ensure the security of the National Credit Union Share Insurance Fund (NCUSIF).

Affected Public: Private Sector: Not-for-profit institutions.

OMB Number: 3133–0197.

Title: Safe Harbor; Treatment of Financial Assets Transferred in Connection with a Securitization or Participation.

The conditions contained in the rule will serve to protect the National Credit Union Share Insurance Fund (NCUSIF) and NCUA’s interests as liquidating agent or conservator by aligning the conditions for the safe harbor with better and more sustainable lending practices by insured credit unions (FICUs).

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 514.

OMB Number: 3133–0198.

Title: Appeals Procedures, 12 CFR 746, subpart B.

Abstract: Part 746, subpart B, will govern most authorized appeals to the Board of adverse determinations made at program office levels under agency regulations that permit such an appeal. The procedures apply to federal credit unions (FCUs), federally insured, state-chartered credit unions (FISCUs), or certain institution affiliated parties (IAPs) such as officers or directors when appealing an adverse agency determination under one of the rules to which part 746, subpart B, would apply. The procedures are intended to result in greater efficiency, consistency, and better understanding of the way in which matters under covered regulations may be appealed to the Board.
