

invite public comment on the agencies' proposed finding that Ohio has satisfied all conditions the agencies established as part of their 2002 approval of the state's coastal nonpoint pollution control program (coastal nonpoint program). The Coastal Zone Act Reauthorization Amendments (CZARA) directs states and territories with coastal zone management programs previously approved under Section 306 of the Coastal Zone Management Act to develop and implement coastal nonpoint programs, which must be submitted to the federal agencies for approval. Prior to making such a finding, NOAA and EPA invite public input on the agencies' rationale for this proposed finding.

DATES: Individuals or organizations wishing to submit comments on the proposed findings document should do so by December 3, 2021.

ADDRESSES: Comments may be submitted by:

- *Electronic Submission:* Submit all electronic public comments via the Federal eRulemaking Portal. Go to regulation.gov and enter NOAA–NOS–2020–0101 in the Search box, click the “Comment” icon, complete the required fields, and enter or attach your comments.

- *Mail:* Submit written comments to Joelle Gore, Chief, Stewardship Division (N/OCM6), Office for Coastal Management, NOS, NOAA, 1305 East-West Highway, Silver Spring, Maryland, 20910; phone (240) 533–0813; ATTN: Ohio Coastal Nonpoint Program.

Instructions: All comments received are a part of the public record and will generally be posted for public viewing on www.regulations.gov without change. All personally identifiable information (for example, name, address, etc.), confidential business information, or otherwise sensitive information submitted voluntarily by the commenter will be publicly accessible. Copies of the proposed findings document may be found on www.regulations.gov (search for NOAA–NOS–2020–0101) and NOAA's Coastal Nonpoint Pollution Control Program website at <https://coast.noaa.gov/czm/pollutioncontrol/>. Additional background information on the State of Ohio's program may be obtained upon request from: Allison Castellan, Stewardship Division (N/OCM6), Office for Coastal Management, NOS, NOAA, 1305 East-West Highway, Silver Spring, Maryland, 20910, phone: (240) 533–0799, email: allison.castellan@noaa.gov; or Paul Thomas, U.S. EPA Region 5, Water Division, 77 W Jackson Boulevard, Chicago, Illinois, 60604, phone: (312) 886–7742, email: thomas.paul@epa.gov.

SUPPLEMENTARY INFORMATION: Section 6217(a) of the Coastal Zone Act Reauthorization Amendments (CZARA), 16 U.S.C. 1455b(a), requires that each state (or territory) with a coastal zone management program previously approved under Section 306 of the Coastal Zone Management Act must prepare and submit to the federal agencies a coastal nonpoint pollution control program for approval. Ohio originally submitted its program to the agencies for approval in 1997. The agencies provided public notice of and invited public comment on their proposal to approve, subject to specific conditions, the Ohio program (66 FR 49643). The agencies approved the program by letter dated June 4, 2002, subject to the conditions specified at that time (67 FR 38471). The agencies propose to find, and invite public comment on the proposed findings, that Ohio has now fully satisfied all conditions associated with the earlier approval of its coastal nonpoint program.

The proposed findings document for Ohio's program is available at www.regulations.gov (search for NOAA–NOS–2020–0101) and information on the Coastal Nonpoint Program in general is available on the NOAA website at
