

Voluntary Agreement, focusing on different aspects of the PPE Plan of Action.

On May 24, 2021, four additional plans of action under the Voluntary Agreement—the Plan of Action to Establish a National Strategy for the Manufacture, Allocation, and Distribution of Diagnostic Test Kits and other Testing Components to respond to COVID-19, the Plan of Action to Establish a National Strategy for the Manufacture, Allocation, and Distribution of Drug Products, Drug Substances, and Associated Medical Devices to respond to COVID-19, the Plan of Action to Establish a National Strategy for the Manufacture, Allocation, and Distribution of Medical Devices to respond to COVID-19, and the Plan of Action to Establish a National Strategy for the Manufacture, Allocation, and Distribution of Medical Gases to respond to COVID-19—were finalized.⁶ These plans of action established several sub-committees under the Voluntary Agreement, focusing on different aspects of each plan of action.

On October 15, 2021, the sixth plan of action under the Voluntary Agreement—the Plan of Action to Establish a National Strategy for the Coordination of National Multimodal Healthcare Supply Chains to Respond to COVID-19—was finalized.⁷ This plan of action established several sub-committees under the Voluntary Agreement, focusing on different transportation categories.

The meetings are chaired by the FEMA Administrator's delegates from the Office of Response and Recovery (ORR) and Office of Policy and Program Analysis (OPPA), attended by the Attorney General's delegates from the U.S. Department of Justice, and attended by the Chairman of the Federal Trade Commission's delegates. In implementing the Voluntary Agreement, FEMA adheres to all procedural requirements of 50 U.S.C. 4558 and 44 CFR part 332.

Meeting Objectives: The objectives of the meetings are as follows:

1. Convene the Sub-Committee to Define Requirements under the National Multimodal Healthcare Supply Chains Plan of Action to establish priorities related to the COVID-19 response under the Voluntary Agreement.

2. Gather Sub-Committee Participants and Attendees to ask targeted questions for situational awareness.

3. Identify pandemic-related supply chain issues, information gaps, and areas for potential additional discussion.

4. Identify potential Objectives and Actions which correspond to Sub-Committees. These will be held for further discussion under those Sub-Committees.

Meetings Closed to the Public: By default, the DPA requires meetings held to implement a voluntary agreement or plan of action be open to the public.⁸ However, attendance may be limited if the Sponsor⁹ of the voluntary agreement finds that the matter to be discussed at a meeting falls within the purview of matters described in 5 U.S.C. 552b(c), such as trade secrets and commercial or financial information.

The Sponsor of the Voluntary Agreement, the FEMA Administrator, found that these meetings to implement the Voluntary Agreement involve matters which fall within the purview of matters described in 5 U.S.C. 552b(c) and the meetings are therefore closed to the public.

Specifically, these meetings may require participants to disclose trade secrets or commercial or financial information that is privileged or confidential. Disclosure of such information allows for meetings to be closed to the public pursuant to 5 U.S.C. 552b(c)(4).

The success of the Voluntary Agreement depends wholly on the willing participation of the private sector participants. Failure to close these meetings to the public could reduce active participation by the signatories due to a perceived risk that sensitive company information could be prematurely released to the public. A premature public disclosure of a private sector participant's information could reduce trust and support for the Voluntary Agreement.

A resulting loss of support by the participants for the Voluntary Agreement would significantly frustrate the implementation of the Agency's objectives. Thus, these meeting closures are permitted pursuant to 5 U.S.C. 552b(c)(9)(B).

Type of Request: Reinstatement with change of a previously approved collection.

Form Number: 7082.

Description of the Need for the Information and Proposed Use: This information collection is being conducted by HUD's Community Planning and Development Office of Block Grant Assistance (CPDOBGA) to assist HUD in determining, as required by Section 104(e) of the Housing and Community Development Act of 1974 (HCDA), and outlined in Subpart I (for States) and Subpart J (for entitlements) of the CDBG regulation, whether Grantees, (Entitlement communities, States and units of general local governments) have carried out eligible activities and its certifications in accordance with the statutory and regulatory requirements governing State CDBG, CDBG-R, Disaster Recovery, Neighborhood Stabilization Program (NSP) 1, NSP2 and NSP 3 grants prior to closing the grant allocation. HUD will make the funding assistance as specified to the grantee upon execution of the Agreement. We request the paperwork approval because the funding approval form is a vehicle for standardizing the agreements between HUD and each of its grantees.
