DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request; Correction

November 1, 2021.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by December 6, 2021 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Foreign-Trade Zones Board

[B–70–2021]

Foreign-Trade Zone (FTZ) 82—Mobile, Alabama; Notification of Proposed Production Activity; Aker Solutions, Inc. (Subsea Oil and Gas Systems); Mobile, Alabama

Aker Solutions, Inc. (Aker) submitted a notification of proposed production activity to the FTZ Board (the Board) for its facility in Mobile, Alabama within City FTZ 82. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on October 28, 2021.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material/component described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz. The proposed material/component would be added to the production authority that the Board previously

approved for the operation, as reflected on the Board's website.

The proposed foreign-status material/component is super duplex steel rods (duty rate is duty-free). The request indicates that the material/component is subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) and Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 232 and Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is December 14, 2021.

A copy of the notification will be available for public inspection in the “Online FTZ Information System” section of the Board's website.

For further information, contact Juanita Chen at juanita.chen@trade.gov.

Foreign-Trade Zones Board

[B–69–2021]

Proposed Foreign-Trade Zone—Smith County, Texas; Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Tyler Economic Development Council to establish a foreign-trade zone in Smith County, Texas, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new “subzones” or “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the FTZ Board's standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as

amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on October 28, 2021. The applicant is authorized to make the proposal under Texas Business and Commerce Code, Title 15, Chapter 681, Foreign-Trade Zones.

The proposed zone would be the fourth zone for the Shreveport-Bossier City CBP port of entry. The existing zones are as follows: FTZ 145, Shreveport, Louisiana (Grantee: Caddo-Bossier Parishes Port Commission, Board Order 370, January 7, 1988); FTZ 234, Gregg County, Texas (Grantee: Gregg County, Texas, Board Order 1003, November 4, 1998); and, FTZ 258, Bowie County, Texas (Grantee: TexAmericas Center, Board Order 1287, October 9, 2003).

The applicant's proposed service area under the ASF would be a portion of Smith County, as described in the application. If approved, the applicant would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is adjacent to the Shreveport-Bossier City Customs and Border Protection port of entry.

The application indicates a need for zone services within a portion of Smith County, Texas. Several firms have indicated an interest in using zone procedures for warehousing/distribution activities for a variety of products. Specific production approvals are not being sought at this time. Such requests would be made to the FTZ Board on a case-by-case basis.

In accordance with the FTZ Board's regulations, Camille Evans and Christopher Wedderburn of the FTZ Staff are designated examiners to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is January 3, 2022. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to January 18, 2022.

A copy of the application will be available for public inspection in the "Online FTZ Information Section" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Camille Evans and Christopher Wedderburn at Camille.Evans@

trade.gov and Chris.Wedderburn@trade.gov.

Stainless Steel Flanges From India: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Successor-in-Interest Determination, and Partial Rescission; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that certain producers/exporters of stainless steel flanges (flanges) from India made sales of subject merchandise in the United States at prices below normal value (NV) during the period of review (POR), October 1, 2019, through September 30, 2020. We preliminarily find that BFN Forgings Private Limited (BFN Forgings) is the successor-in-interest to Bebitz Flanges Works Private Limited (Bebitz Flanges). Finally, we are rescinding this review with respect to 38 companies. We invite interested parties to comment on these preliminary results.

DATES: Applicable November 4, 2021.

FOR FURTHER INFORMATION CONTACT: Benito Ballesteros or Christopher Maciuba, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4725 or (202) 482–0413, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 8, 2020, Commerce initiated an administrative review of the antidumping duty order on flanges from India, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This administrative review covers 19 companies,² including the

² Although we initiated a review of the companies "Jay Jagdamba Limited" and "Jay Jagdamba Ltd.," we are treating these companies as the same entity for purposes of this segment of the proceeding. See

mandatory respondents Chandan Steel Limited (Chandan) and Kisaan Die Tech Private Limited (KDT).³ On June 24, 2021, we extended the deadline for the preliminary results until October 29, 2021.⁴ For details regarding the events that occurred subsequent to the initiation of this review, see the Preliminary Decision Memorandum.⁵ A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum is available at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the Order is stainless steel flanges from India.⁶ For a full description of the scope, see the Preliminary Decision Memorandum.

Preliminary Successor-in-Interest Determination

BFN Forgings reported that, during the POR, it changed its name from "Bebitz Flanges Works Private Limited" to "BFN Forgings Private Limited." Based on our analysis of the information on the record regarding any changes with respect to corporate structure, manufacturing facilities, customers, and suppliers, we preliminarily determine that BFN Forgings is the successor-in-interest to Bebitz Flanges, and, as a result, should be accorded the same treatment previously accorded to Bebitz Flanges. For further discussion, see the Preliminary Decision Memorandum at "Preliminary Successor-In-Interest Determination."

Initiation Notice. Additionally, we preliminarily find BFN Forgings to be the successor-in-interest to Bebitz Flanges. For further discussion, see the section "Preliminary Successor-in-Interest Determination" below.

³ We referred to this company in the *Initiation Notice* as "Kisaan Die Tech." The company's full name is Kisaan Die Tech Private Limited.
