

proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 7.23 percent, the all-others rate established in the less-than-fair-value investigation, adjusted for the export-subsidy rate in the companion countervailing duty investigation.¹⁰ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221.

Diamond Sawblades and Parts Thereof From the People's Republic of China: Notice of Amended Final Results

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On October 27, 2021, the U.S. Court of International Trade (CIT) issued its final judgment in *Diamond Sawblades Manufacturers' Coalition v. United States*, Court No. 17-00167, sustaining the Department of Commerce (Commerce)'s second remand results pertaining to the administrative review of the antidumping duty (AD) order on diamond sawblades and parts thereof from the People's Republic of China (China) covering the period from November 1, 2014, through October 31, 2015. Commerce is notifying the public that it is amending the final results of review with respect to the dumping margin assigned to Bosun Tools Co., Ltd. (Bosun) and the 22 non-selected respondents that received a separate rate.

DATES: Applicable November 6, 2021.

FOR FURTHER INFORMATION CONTACT: Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0410.

SUPPLEMENTARY INFORMATION:

Background

On June 12, 2017, Commerce published its *Final Results* in the 2014–2015 AD administrative review of diamond sawblades and parts thereof from China. Commerce calculated a rate of 6.91 for Bosun and assigned that rate to the non-selected respondents that received a separate rate.¹

The Diamond Sawblades Manufacturers' Coalition (the petitioner) appealed Commerce's *Final Results*. On October 23, 2018, the CIT remanded the *Final Results* to Commerce to further clarify or reconsider Commerce's conclusion that Bosun acted to the best of its ability in responding to Commerce's requests for information.²

In its first remand redetermination, issued in April 2019, Commerce concluded that Bosun failed to cooperate to the best of its ability and applied a rate based entirely on adverse facts available (AFA) to Bosun; Commerce also assigned that rate to the non-selected respondents that received a separate rate.³ The CIT sustained the first remand redetermination, but later remanded for a second time for further proceedings in conformity with the opinion of the Court of Appeals for the Federal Circuit, which ruled that Commerce needed to determine whether there was any basis to disregard the Bosun-supplied origin information for certain sales to unaffiliated U.S. customers during the period of review.⁴

In its second remand redetermination, issued in July 2021, Commerce found that AFA was appropriate to apply to only certain of Bosun's sales to U.S. customers. Accordingly, Commerce recalculated Bosun's margin and assigned Bosun's rate to the non-selected respondents that received a separate rate.⁵ The CIT sustained Commerce's final redetermination.⁶

Cash Deposit Requirements

Because all the exporters listed above have a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice does not affect the current cash deposit rate.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from issuing instructions to liquidate entries that were exported by Bosun Tools Co., Ltd., and imported by or sold to (as indicated on the commercial invoice or Customs documentation) Bosun Tools, Inc. or Bosun Tools Inc., or exported by the non-selected respondents that received a separate rate, and were entered, or withdrawn from warehouse, for consumption during the period November 1, 2014, through October 31, 2015. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, is upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise exported by Bosun Tools

Co., Ltd., and imported by or sold to (as indicated on the commercial invoice or Customs documentation) Bosun Tools, Inc. or Bosun Tools Inc., or exported by the non-selected respondents that received a separate rate in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,⁷ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.
