Cash Deposit Requirements

Because all the exporters listed above have a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice does not affect the current cash deposit rate.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from issuing instructions to liquidate entries that were exported by Bosun Tools Co., Ltd., and imported by or sold to (as indicated on the commercial invoice or Customs documentation) Bosun Tools, Inc. or Bosun Tools Inc., or exported by the non-selected respondents that received a separate rate, and were entered, or withdrawn from warehouse, for consumption during the period November 1, 2014, through October 31, 2015. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, is upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise exported by Bosun Tools

Co., Ltd., and imported by or sold to (as indicated on the commercial invoice or Customs documentation) Bosun Tools, Inc. or Bosun Tools Inc., or exported by the non-selected respondents that received a separate rate in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,⁷ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

SUPPLEMENTARY INFORMATION:

I. Abstract

NOAA's Office for Coastal Management requests the extension of a currently approved information collection NOAA has, or is given, authority under the Coastal Zone Management Act (CZMA), annual appropriations or other authorities, to issue funds to coastal states, localities or other recipients for planning, conservation, acquisition, protection, restoration, or construction projects. The required information enables NOAA to implement the Coastal and Estuarine Land Conservation Program (CZMA Section 307A), under its current or future authorization, and facilitate the review of similar projects under different, but related, authorities, including the National Estuarine Research Reserve System (CZMA Section 315) Land Acquisition and Construction program, the Coastal Zone Management Program's low-cost acquisition and construction program (CZMA Section 306A), or the Fish and Wildlife Coordination Act.

This collection covers the development of state coastal land conservation plans, and collection of information specifically needed for applying for and carrying out land acquisition, restoration, and construction projects, such as: Appraisals, property surveys and site plans, legal documentation such as deeds, easements and/or plats, and information needed for environmental compliance reviews. Such information is collected from project applicants or sub-recipients, which are typically state or local government agencies, but may also include nongovernmental or tribal organizations.

The information will be used in evaluating project proposals, reviewing the location and impact of proposed activities, documenting compliance with the National Environmental Policy Act and other applicable statutes, and

conducting due diligence on market value, title encumbrances, property boundaries, proper recording of legal instruments. No changes are proposed to the collection.

II. Method of Collection

Electronic formats are the preferred method for submitting CELCP plans, project applications, performance reports and other required materials. However, respondents may submit materials in electronic or paper formats. Project applications are normally submitted electronically via [Grants.gov](https://www.grants.gov) but may be submitted by mail in paper form if electronic submittal is not a viable option. Methods of submittal for plans, performance reports or other required materials may include electronic submittal via email or NOAA Grants Online, mail and facsimile transmission of paper forms, or submittal of electronic files on compact disc.
