determine whether to approve or disapprove the Proposed Rule Change.

II. Summary of the Proposed Rule Change

As described in the Notice,⁸ NSCC proposes to (i) establish the securities financing transaction clearing service ("SFT Clearing Service") to make central clearing available at NSCC for equity securities financing transactions, which are, broadly speaking, transactions where the parties exchange equity securities against cash and simultaneously agree to exchange the same securities and cash, plus or minus a rate payment, on a future date (collectively, "SFTs"), (ii) establish new membership categories and requirements for sponsoring members and sponsored members whereby existing Members would be permitted to sponsor certain institutional firms into membership, (iii) establish a new membership category and requirements for agent clearing members whereby existing Members would be permitted to submit, on behalf of their customers, transactions to NSCC for novation, and (iv) make other amendments and clarifications to the Rules, as described in greater detail below.

(i) Key Parameters of the Proposed SFT Clearing Service

NSCC proposes central clearing for SFTs with a one business day term in eligible equity securities that are entered into by Members, Sponsored Members that are sponsored into NSCC by Sponsoring Members (as described below), or Agent Clearing Members on behalf of Customers (as described below). NSCC will maintain eligibility criteria for the securities that may underlie an SFT that NSCC will accept for novation. NSCC would, as an initial matter, provide the proposed SFT Clearing Service for only those SFTs where the underlying securities are CNS-eligible equity securities that have a per share price of \$5 or more, although NSCC may modify eligible equity at a later date.

The final settlement obligations of each SFT, other than a Sponsored Member transaction, that is novated to NSCC would settle receive-versus-payment/delivery-versus-payment at The Depository Trust Company ("DTC"). SFT deliver orders would be processed in accordance with DTC's

⁸ The description of the Proposed Rule Change is based on the statements prepared by NSCC in the Notice. See Notice, *supra* note 3. Capitalized terms used herein and not otherwise defined herein are defined in NSCC's Rules & Procedures, available at www.dtcc.com/-/media/Files/Downloads/legal/rules/nsc_rules.pdf, and the Notice.
