Section 117(a) of the No Surprises Act, enacted as part of the Consolidated Appropriations Act, 2021, div. BB, tit. I, Public Law 116–260 (Dec. 27, 2020), requires the Secretaries to establish and convene an advisory committee for the purpose of reviewing options to improve the disclosure of charges and fees for ground ambulance services, better inform consumers of insurance options for such services, and protect consumers from balance billing. On November 16, 2021, the Secretaries of Health and Human Services, Labor, and the Treasury finalized the charter establishing the GAPB Advisory Committee. The recommendations shall

address, at a minimum, options, best practices, and identified standards to prevent instances of balance billing; steps that can be taken by State legislatures, State insurance regulators, State attorneys general, and other State officials as appropriate, consistent with current legal authorities regarding consumer protection; and legislative options for Congress to prevent balance billing.
