- *Regulation:* 24 CFR 242.58(b)(ii), 24 CFR 242.58(b)(iv), 24 CFR 242.58(f), 24 CFR 242.61(a)–(d).

*Project/Activity:* HCA-Memorial Health Meadows Hospital, Vidalia, Georgia.

*Nature of Requirements:* 24 CFR 242.58(b)(ii) states that, with regard to financial reporting requirements for hospitals with FHA-insured loans, quarterly unaudited financial reports must be filed with HUD within 40 days following the end of each quarter of the Borrower's fiscal year.

24 CFR 242.58(b)(iv) states that, with regard to financial reporting requirements for hospitals with FHA-insured loans, board-certified annual financial results must be filed with HUD within 120 days following the close of the fiscal year (if the annual audited financial statements have not yet been filed with HUD). 24 CFR 242.58(f) requires that the books and records of management agents, lessees, operators, managers, and Affiliates be maintained in accordance with Generally Accepted Accounting Principles (GAAP) and shall be open to inspection by HUD. 24 CFR 242.61(a) through (d) give HUD the authority to approve contracts for executive management of the hospital, and to remove principals of the hospital (including executives, board members, and key employees).

*Granted By:* Lopa P. Kolluri, Principal Assistant Secretary for Housing Federal Housing Commissioner.

*Date Granted:* April 22, 2021.

*Reason Waived:* HCA Healthcare applied for a Transfer of Physical Assets (TPA) to take ownership of Toombs County Hospital Authority (TCHA) and Meadows Regional Medical Center and replace the current Borrower on the Note (TCHA) with newly created HUD Borrowers (Vidalia Health Services, LLC and Meadows Multispecialty Associates, LLC). As part of the TPA application, HCA Healthcare is requesting waivers of numerous standard requirements within OHF's Hospital Regulatory Agreement. The requirements ordinarily provide OHF with the data and authority to manage the asset when it is part of HUD's portfolio. While waiving the requirements will prevent OHF from executing our standard asset management procedures, we determined that the hospital will benefit significantly from HCA ownership, and that the waiver is fully justified.

- *Regulation:* 24 CFR 3282.14(b), Alternative construction of manufactured homes.

*Project/Activity:* Regulatory Waiver for Industry-Wide Alternative Construction Letter for Swinging Exterior Passage Doors.

*Nature of Requirement:* 24 CFR 3282.14(b), Request for Alternative Construction,

requires manufactured housing manufacturers to submit a request for Alternative Construction consideration for the use of construction designs or techniques that do not conform with HUD Standards, to receive permission from HUD to utilize such designs or techniques in the manufacturing process for manufactured homes.

*Granted by:* Lopa P. Kolluri, Principal Deputy Assistant Secretary for Housing—Federal Housing Administration.

*Date Granted:* March 29, 2021.

*Reason Waived:* Many manufactured home manufacturers are currently facing shortages in the supply of swinging exterior passage doors that are listed or specifically certified for use in manufactured homes due to COVID-19 pandemic impacts. The major supply line of certified swinging exterior passage doors cannot meet the current and near-term future demands of the manufactured housing industry, yet alternative door options are available that provide performance equivalent or superior to that required by the Standards yet cannot be utilized without an Alternative Construction approval. To resolve this matter for the whole industry in an expedient manner while protecting the health and safety of consumers and maintaining durability of the homes, this regulatory waiver was granted to allow the Office of Manufactured Housing Programs to provide an industry-wide Alternative Construction approval letter that could be used by any manufacturer experiencing supply chain issues for swinging exterior passage doors.
