SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget ("OMB") for each collection of information they conduct or sponsor. "Collection of Information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the Commission is publishing notice of the proposed extension of the existing collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.¹

Title: Clearing Exemption for Swaps Between Certain Affiliated Entities (OMB Control No. 3038-0104). This is a request for an extension of a currently approved information collection.

Abstract: Section 2(h)(1)(A) of the Commodity Exchange Act requires certain entities to submit for clearing certain swaps if they are required to be

cleared by the Commission. Commission regulation 50.52 permits certain affiliated entities to elect not to clear inter-affiliate swaps that otherwise would be required to be cleared, provided that they meet certain conditions. The rule further requires the reporting of certain information if the inter-affiliate exemption from clearing is elected. The Commission will use the information described in this collection and reported pursuant to Commission regulation 50.52 to monitor the use of the inter-affiliate exemption from the Commission's swap clearing requirement and to assess any potential market risks associated with such exemption.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

You should submit only information that you wish to make available publicly. If you wish for the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.²

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the Information Collection Request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable

laws, and may be accessible under the Freedom of Information Act.

Burden Statement: The Commission is revising its estimate of the burden for this collection for counterparties to swaps between certain affiliated entities that elect the inter-affiliate exemption under Commission regulation 50.52.

The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 200.

Estimated Average Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 200 hours.

Frequency of Collection: Annually; on occasion.

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement (DFARS); Contract Financing

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice and request for comments regarding a proposed revision and extension of an approved information collection requirement.

SUMMARY: In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), DoD announces the proposed extension of a public information collection requirement and seeks public comment on the provisions thereof. DoD invites comments on: whether the proposed collection of information is necessary for the proper performance of the functions of DoD, including whether the information will have practical utility; the accuracy of the estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. The Office of Management and Budget (OMB) has approved this information collection for use through March 31, 2022. DoD proposes that OMB extend its approval for use for three additional years beyond the current expiration date.

DATES: DoD will consider all comments received by January 24, 2022.

ADDRESSES: You may submit comments, identified by OMB Control Number 0704-0321, using any of the following methods:

FOR FURTHER INFORMATION CONTACT: Mr. David E. Johnson, 571-372-6115.

SUPPLEMENTARY INFORMATION:

Title and OMB Number: Defense Federal Acquisition Regulation Supplement (DFARS) Part 232, Contract Financing, and the Clause at 252.232-7002, Progress Payments for Foreign Military Sales Acquisitions; OMB Control Number 0704-0321.

Affected Public: Businesses or other for-profit and not-for-profit institutions.

Respondent's Obligation: Required to obtain or retain benefits.

Number of Respondents: 149.

Responses per Respondent: Approximately 20.

Annual Responses: 2,928.

Average Burden per Response: 1.5 hours.

Annual Burden Hours: 4,392.

Frequency: On occasion.

Needs and Uses: Section 22 of the Arms Export Control Act (22 U.S.C. 2762) requires the U.S. Government to use foreign funds, rather than U.S. appropriated funds, to purchase military equipment for foreign governments. To comply with this requirement, the Government needs to know how much of each progress payment to charge each country. DFARS 232.502-4-70(a) prescribes use of the clause at DFARS 252.232-7002 in any contract that provides for progress payments and contains foreign military sales requirements. The clause at 252.232-7002, Progress Payments for Foreign Military Sales Acquisitions, requires each contractor whose contract includes foreign military sales (FMS) requirements to submit a separate progress payment request for each progress payment rate and to submit a supporting schedule that clearly distinguishes the contract's FMS requirements from U.S. requirements. The Government uses this information to determine how much of each country's funds to disburse to the contractor.
