FEDERAL TRADE COMMISSION

Privacy Act of 1974; System of Records

AGENCY: Federal Trade Commission (FTC).

ACTION: Notice of modified system of records.

SUMMARY: The FTC is making technical revisions to one of the notices that it has

published under the Privacy Act of 1974. This action is intended to make the notice clearer, more accurate, and up-to-date.

DATES: This notice shall become final and applicable on November 24, 2021.

FOR FURTHER INFORMATION CONTACT: G. Richard Gold, Attorney, Office of the General Counsel, FTC, 600 Pennsylvania Avenue NW, Washington, DC 20580, (202) 326–3355.

SUPPLEMENTARY INFORMATION: To inform the public, the FTC publishes in the *Federal Register* and posts on its website a “system of records notice” (SORN) for each system of records that the FTC currently maintains within the meaning of the Privacy Act of 1974, as amended, 5 U.S.C. 552a (Privacy Act or Act). See <https://www.ftc.gov/about-ftc/foia/foia-reading-rooms/privacy-act-systems>. The Privacy Act protects records about individuals in systems of records collected and maintained by Federal agencies.¹ Each Federal agency, including the FTC, must publish a SORN that describes the records maintained in each of its Privacy Act systems, including the categories of individuals that the records in the system are about, where and how the agency maintains these records, and how individuals can find out whether an agency system contains any records about them or request access to their records, if any. The FTC, for example, maintains 40 systems of records under the Act. Some of these systems contain records about the FTC's own employees, such as personnel and payroll files. Other FTC systems contain records about members of the public, such as public comments, consumer complaints, or phone numbers submitted to the FTC's Do Not Call Registry.

For this notice, the FTC is revising FTC–II–1 (General Personnel Records—FTC) to ensure that the SORN remains clear, accurate, and up-to-date. This SORN covers Official Personnel Folders (OPFs) and the approved electronic equivalent (the electronic OPF or eOPF) and other personnel records that the FTC's Human Capital Management Office (HCMO) maintains about FTC employees. The Office of Personnel Management (OPM) has published a Government-wide SORN that covers this system of records, OPM/GOVT–1 (General Personnel Records). See 71 FR 35341, 35342 (2006). The Commission has updated or clarified the sections on authority, purpose, retention of records, and procedures for employees and

¹ A system is not a “system of records” under the Act unless the agency maintains and retrieves records in the system by the relevant individual's name or other personally assigned identifier.
