A. Overview of Information Collection

Title of Information Collection: Maintenance Wage Rate Recommendation.

OMB Approval Number: 2501-0011.

Type of Request: Revision with change of a previously approved collection.

Form Number: HUD-4750, HUD-4751, HUD-4752.

Description of the need for the information and proposed use:

This is a revision of a currently approved collection. Agencies administering low income and affordable housing programs subject to maintenance prevailing wage rates use HUD Form 4750 to recommend maintenance wage rates to HUD and use HUD Forms 4751 and 4752 to collect data from local entities that employ personnel performing the same duties as the agency’s maintenance staff. HUD uses the data collected from HUD Forms 4750, 4751, and 4752 to determine or adopt prevailing wage rates for maintenance laborers and mechanics employed in the operation of low income and affordable housing projects subject to Federal prevailing wage rates.

HUD and local agencies that administer HUD-assisted projects will no longer be required to use the HUD Form 4230A for additional classification requests. Instead, HUD and local agencies will utilize the form SF-1444 and submit employer additional classification and wage rate requests to DOL when DOL approval is required. The information collection of the SF-1444 is contained in the OMB Control No. 9000-0066.
