

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1, Revision No. 01.2.

■ 2. Add § 165.T08–0885 to read as follows:

§ 165.T08–0885 Safety Zone; Lower Mississippi River, Southwest Pass Sea Buoy to Mile Marker 101, New Orleans, LA.

(a) *Location.* The following area is a safety zone: All navigable waters within the Lower Mississippi River and Southwest Pass, around heavy lift carrier vessel ZHEN HUA 23 transiting between the Southwest Pass Entrance Lighted Buoy “SW”, at approximate position 28°52’42” N, 89°25’54” W [NAD 83] and Port of New Orleans at approximate LMR MM 101 in New Orleans, Louisiana. The temporary moving safety zone extends bank to bank, encompassing all waters one-mile ahead and one-mile astern of the vessel. The zone remains in effect during the entire transit of the vessel.

(b) *Definitions.* As used in this section, designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port New Orleans (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP’s designated representative, except as provided for in paragraph (c)(3) of this section.

(2) For this section the Pilot directing the movement of the heavy load carrier vessel ZHEN HUA 23 under the authority of the master has the authority to allow other vessels to enter the safety zone when necessary.

(3) All vessels are prohibited from entering this safety zone unless authorized as follows:

(i) Vessels that have made suitable passing or overtaking arrangements with the pilot onboard the vessel ZHEN HUA 23 may enter into this safety zone in accordance with those agreed upon arrangements.

(ii) Moored vessels or vessels anchored in a designated anchorage area may remain in their current moored or anchored position while the vessel ZHEN HUA 23 transits the area.

(iii) Barge Fleets or vessels working a fleet may continue their current operations while the vessel ZHEN HUA 23 transits the area.

(4) Vessels requiring a deviation from this rule must request permission from the Captain of the Port New Orleans. The Captain of the Port New Orleans may be contacted at (504) 365–2545.

(d) *Enforcement period.* This section will be enforced from 6 a.m. on December 5, 2021 through 8 p.m. on December 15, 2021.

(e) Information broadcasts. The COTP or a designated representative will inform the public of the enforcement times and date for this safety zone through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNM)s, and/or Marine Safety Information Bulletins (MSIBs) as appropriate.

Dated: November 29, 2021

W.E. Watson,

Captain, U.S. Coast Guard, Captain of the Port Sector New Orleans.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2021–0808]

RIN 1625–AA00

Safety Zone; Tchefuncte River, Madisonville, LA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for a fireworks display on December 4, 2021 from 9 p.m. through 10 p.m. The safety zone is needed to protect people and the environment on these navigable waters of the Tchefuncte River, LA. This proposed rulemaking would prohibit persons and vessels from entering the safety zone unless authorized by the Captain of the Port (COTP) Sector New Orleans or a designated representative.

DATES: This rule is effective from 9 p.m. to 10 p.m. on December 4, 2021.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2021–0808 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Lieutenant Commander William A. Stewart, Waterways Management Division Chief, U.S. Coast Guard; telephone 504–365–2246, email William.A.Stewart@uscg.mil.

FR Federal Register
LNM Local Notice to Mariners
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

On October 19, 2021, the Coast Guard received a marine event permit application for a fireworks display on December 4, 2021 from 9 p.m. through 10 p.m. Fireworks display will be launched from a barge in the Tchefuncte River in the approximate position 30 23–52.4 N, 90 09–14.48 W. In response, on November 10, 2021, the Coast Guard published a notice of proposed rulemaking (NPRM) titled “Safety Zone; Tchefuncte River, Madisonville, LA” (86 FR 62500). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended November 22, 2021, we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with this fireworks display.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The COTP New Orleans has determined that potential hazards associated with the fireworks to be used in this December 4, 2021 display will be a safety concern for anyone within a 200 yard radius of the barge on the Tchefuncte River at 30 23–52.4 N, 90 09–14.48 W. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published on November 10, 2021. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 9 p.m. to 10 p.m. on December 4, 2021. The safety zone will cover all navigable waters within 200 yards of a barge on the Tchefuncte River located at 30 23–52.4 N, 90 09–14.48 W. The duration of the zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled 9:30 p.m. to 9:40 p.m. fireworks display. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on establishing a temporary safety zone within a 200 yard radius of the deck barge located on the Tchefuncte River at 30 23–52.4 N, 90 09–14.48 W on December 4, 2021 from 9 p.m. to 10 p.m. Moreover, the rule would allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments

from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting one hour that would prohibit entry within a 200 yard radius around the deck barge located on the Tchefuncte River at 30 23–52.4 N, 90 09–14.48 W. It is categorically excluded from further review under paragraph L60 (a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1, Revision No. 01.2.

■ 2. Add § 165.T08–0808 to read as follows:

§ 165.T08–0808 Safety Zone; Tchefuncte River, Madisonville, LA.

(a) *Location.* The following area is a safety zone: All navigable waters within a 200 yard radius of the deck barge at position 30 23–52.4 N, 90 09–14.48 W on the Tchefuncte River, Madisonville, LA.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Sector New Orleans (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, persons and vessels may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative by VHF–FM radio channels 16 or 67. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section will be enforced from 9 p.m. through 10 p.m. on December 4, 2021.

(e) *Information broadcasts.* The COTP or a designated representative will inform the public of the enforcement times and date for this safety zone through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Broadcasts (MSIBs) as appropriate.

Dated: November 29, 2021

W.E. Watson,

Captain, U.S. Coast Guard, Captain of the Port Sector New Orleans.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2021–0784]

RIN 1625–AA11

Safety Zone; Oil Pipeline Repairs; San Pedro Bay, CA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for the oil pipeline repair operations in the vicinity of a damaged pipeline, off the coast of Orange County and near San Pedro Bay, CA. The safety zone is necessary to reduce significant hazards to vessels, the harbor, and the public during ongoing pipeline repair and oil recovery operations. Entry of persons or vessels into this temporary safety zone is prohibited unless specifically authorized by the Captain of the Port, Los Angeles—Long Beach, or her designated representative.

DATES: This rule is effective without actual notice from December 3, 2021 11:59 p.m. on December 8, 2021. For purposes of enforcement, actual notice will be used from 12:00 a.m. on November 24, 2021 until December 3, 2021.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2021–0784 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LCDR Maria Wiener, Waterways Management, U.S. Coast Guard Sector Los Angeles—Long Beach; telephone (310) 357–1603, email Maria.C.Wiener@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the

Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule to ensure the safety of response personnel and mariners during repairs of the damaged pipeline, as well as the potential oil recovery of said pipeline. It is impracticable to publish an NPRM, because we must establish this safety zone by November 24, 2021, due to immediate action needed to minimize potential danger to the public during oil recovery operations for the discharge of oil from pipeline.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because immediate action is needed to respond to the potential safety hazards associated with the pipeline repair operations for the damaged pipeline.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port (COTP), Los Angeles—Long Beach has determined that potential hazards associated with the pipeline repair and potential oil recovery operations in the vicinity of the damaged pipeline will be a safety concern for anyone within the following coordinates: 33°39.320' N, 118°06.851' W; 33°39.141' N, 118°06.247' W; 33°38.632' N, 118°06.453' W; 33°38.809' N, 118°07.064' W. This rule is necessary to safeguard the public during repair operations in response to an emergency situation; it would be impracticable for the Coast Guard to provide a public comment period on the rule.

IV. Discussion of the Rule

This rule establishes a safety zone that will be enforced November 24, 2021 through December 8, 2021. The safety zone will encompass all navigable waters from the surface to the sea floor in an area bound by the following coordinates: 33°39.320' N, 118°06.851' W; 33°39.141' N, 118°06.247' W; 33°38.632' N, 118°06.453' W; 33°38.809' N, 118°07.064' W. No vessel or person will be permitted to enter the safety zone without obtaining permission from
