#### SUPPLEMENTARY INFORMATION:

##### Background

On August 5, 2021, Commerce published the preliminary results of the 2019–2020 administrative review of the antidumping duty order on certain corrosion-resistant steel products (CORE) from the Republic of Korea (Korea).<sup>1</sup> The administrative review covers nine exporters and/or producers of the subject merchandise,<sup>2</sup> of which we selected Dongkuk and Hyundai as

<sup>2</sup> The nine companies are: (1) Dongbu Incheon Steel Co., Ltd.; (2) Dongbu Steel Co., Ltd.; (3) KG Dongbu Steel Co., Ltd. (formerly Dongbu Steel Co., Ltd.); (4) Dongkuk Steel Mill Co., Ltd. (Dongkuk); (5) Hyundai Steel Company (Hyundai); (6) POSCO; (7) POSCO Coated & Color Steel Co., Ltd.; (8) POSCO Daewoo Corporation; and (9) POSCO International Corporation (formerly, POSCO Daewoo Corporation).

mandatory respondents.<sup>3</sup> For the events that occurred since the Preliminary Results, see the Issues and Decision Memorandum.<sup>4</sup> Commerce conducted this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

#### Scope of the Order<sup>5</sup>

The merchandise covered by the *Order* is CORE from Korea. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

#### Analysis of Comments Received

All issues raised by parties in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. #### Changes Since the Preliminary Results

We made no changes to the *Preliminary Results*.

#### Rates for Companies Not Selected for Individual Examination

The statute and Commerce's regulations do not address the establishment of a rate to be applied to individual companies not selected for examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for companies which we did not individually examine in an administrative review. Section 735(c)(5)(A) of the Act establishes a

preference to avoid using rates which are zero, *de minimis*, or based entirely on facts available (FA) in calculating an all-others rate. Accordingly, Commerce's practice in administrative reviews has been to average the weighted-average dumping margins for the companies selected for individual examination in the administrative review, excluding rates that are zero, *de minimis*, or based entirely on FA.<sup>6</sup> For these final results of review, we calculated a weighted-average dumping margin for Dongkuk that is not zero, *de minimis*, or based entirely on FA. Therefore, consistent with our practice, we have assigned the companies not selected for individual examination the weighted-average dumping margin calculated for Dongkuk.

#### Final Results of the Administrative Review

We determine that the following weighted-average dumping margins exists for the period July 1, 2019, through June 30, 2020:

Exporter/producer	Weighted-average dumping margin (percent)
Dongkuk Steel Mill Co., Ltd .....	0.59
Hyundai Steel Company .....	0.00
KG Dongbu Steel Co., Ltd. (formerly Dongbu Steel Co., Ltd.)/ Dongbu Incheon Steel Co., Ltd. <sup>7</sup> .....	0.59
POSCO .....	0.59
POSCO Daewoo Corporation ....	0.59
POSCO International Corporation (formerly POSCO Daewoo Corporation) .....	0.59
POSCO Coated & Color Steel Co., Ltd .....	0.59
