BILLING CODE 4910-13-P

DEPARTMENT OF JUSTICE

Parole Commission

28 CFR Part 2

[Docket No. USPC-2021-01]

Paroling, Recommitting, and Supervising Federal Prisoners: Prisoners Serving Sentences Under the United States and District of Columbia Codes

AGENCY: United States Parole Commission, Justice.

ACTION: Final rule.

SUMMARY: The United States Parole Commission is revising its regulations to

eliminate a policy of imposing the maximum permissible term of supervised release as a consequence of the revocation of an earlier supervised release term for offenders sentenced under the D.C. Code.

DATES: This final rule is effective December 20, 2021.

FOR FURTHER INFORMATION CONTACT: Helen H. Krapels, General Counsel, U.S. Parole Commission, 90 K Street NE, Third Floor, Washington, DC 20530, telephone (202) 346-7030. Questions about this publication are welcome, but inquiries concerning individual cases cannot be answered over the telephone.

SUPPLEMENTARY INFORMATION: Based upon its experience with D.C. Code sentenced supervised releases for over 20 years, the Commission is repealing its policy, codified at 28 CFR 2.218(e), of imposing the maximum permissible term of supervised release after revoking an earlier term of supervised release. On August 17, 2021, the Parole Commission published an interim rule with request for comments. 86 FR 45861. The Parole Commission has not received any comments and is publishing the final rule with no changes to the interim rule.

Under the revised regulation the Commission will retain the discretion to impose the maximum permissible term when it finds that the offender would benefit from a lengthier period of supervision, but there will no longer be a policy guiding that decision.

Executive Orders 12866 and 13563

This regulation has been drafted and reviewed in accordance with Executive Order 12866, "Regulation Planning and Review," section 1(b), Principles of Regulation, and in accordance with Executive Order 13565, "Improving Regulation and Regulatory Review," section 1(b), General Principles of Regulation. The Commission has determined that this rule is not a "significant regulatory action" under Executive Order 12866, section 3(f), Regulation Planning and Review, and accordingly this rule has not been reviewed by the Office of Management and Budget.

Executive Order 13132

This rule will not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Under Executive

Order 13132, this rule does not have sufficient federalism implications requiring a Federalism Assessment.

Regulatory Flexibility Act

This rule will not have a significant economic impact upon a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 605(b).

Unfunded Mandates Reform Act of 1995

This rule will not cause State, local, or tribal governments, or the private sector, to spend \$100,000,000 or more in any one year, and they will not significantly or uniquely affect small governments. No action under the Unfunded Mandates Reform Act of 1995 is necessary.

Small Business Regulatory Enforcement Fairness Act of 1996 (Subtitle E—Congressional Review Act)

This rule is not a "major rule" as defined by Section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996 Subtitle E—Congressional Review Act, now codified at 5 U.S.C. 804(2). This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on the ability of United States-based companies to compete with foreign-based companies. Moreover, this is a rule of agency practice or procedure that does not substantially affect the rights or obligations of non-agency parties, and does not come within the meaning of the term "rule" as used in Section 804(3)(C), now codified at 5 U.S.C. 804(3)(C). Therefore, the reporting requirement of 5 U.S.C. 801 does not apply.
