AGENCY: Transportation Security Administration, DHS.

ACTION: 60-Day notice.

SUMMARY: The Transportation Security Administration (TSA) invites public comment on one currently approved Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652–0060 that we will submit to OMB for an extension in compliance with the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves recordkeeping requirements and petitions for reconsideration by owners and/or operators of repair stations certificated by the Federal Aviation Administration (FAA).

DATES: Send your comments by February 18, 2022.

ADDRESSES: Comments may be emailed to TSAPRA@tsa.dhs.gov or delivered to the TSA PRA Officer, Information Technology (IT), TSA–11, Transportation Security Administration, 6595 Springfield Center Drive, Springfield, VA 20598–6011.

FOR FURTHER INFORMATION CONTACT: Christina A. Walsh at the above address, or by telephone (571) 227–2062.

SUPPLEMENTARY INFORMATION:

Comments Invited

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a valid OMB control number. The ICR documentation will be available at <http://www.reginfo.gov> upon its submission to OMB. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Information Collection Requirement

OMB Control Number 1652–0060; Aircraft Repair Station Security. In accordance with 49 U.S.C. 44924 and 49 CFR part 1554, TSA performs security reviews and audits of aircraft repair stations located within and outside of the United States.

Section 611 the Vision 100 Century of Aviation Reauthorization Act (the Act) requires the Department of Homeland Security (DHS) to ensure the security of aircraft repair stations. Public Law 108–176 (Oct. 5, 2018) as codified at 49 U.S.C. 44924. The Act further requires a security review and audit of aircraft repair stations located outside the United States, with a 145-certificate issued by the FAA. *Id.* TSA, on behalf of DHS, is the agency to conduct the relevant tasks associated with this legislation. As required by the Act, TSA published a final rule setting forth the new requirements in 2014. *See* 79 FR 2119 (Jan. 13, 2014).

Under TSA's regulations, aircraft repair stations certificated by the FAA under part 145 and located on or adjacent to an airport, as defined in 49 CFR 1554.101(a)(1) and (2), are required to implement security requirements. Unless located on a military installation, these aircraft repair stations are subject to inspection by TSA.

The required security measures include designating a TSA point of contact and preventing the operation of unattended large aircraft that are capable of flight. An aircraft repair station owner or operator also is responsible for maintaining updated employment history records to demonstrate compliance with the

regulatory requirements. These records must be made available to TSA upon request. If TSA discovers security deficiencies, an aircraft repair station may be subject to suspension or, in extreme cases, withdrawal of its 145-certificate by the FAA if such deficiencies are not corrected. An aircraft repair station owner or operator may petition for reconsideration (appeal) of a determination by TSA that FAA must suspend or revoke its certificate. TSA uses the collected information to determine compliance with the security measures required under 49 CFR part 1554.

The respondents to this information collection are the owners and/or operators of aircraft repair stations certificated by the FAA under 14 CFR part 145, which is estimated to be over 4,000 aircraft repair stations located within the United States and more than 900 active repair stations located outside the United States.

Respondent aircraft repair stations are required to submit and update security point of contact information, respond to requests to inspect documentation, and may petition for reconsideration. For these activities, TSA estimates that all respondent repair stations will incur a total of 412 hours annually to satisfy the collection requirements.

Dated: December 15, 2021.

TSA Paperwork Reduction Act Officer, Information Technology.

Article I—Introduction

Section 1.1 Title

This Ordinance shall be known as the “Kaw Nation Alcohol Ordinance of 2019” (the “Ordinance”). This Ordinance and Act amends and supercedes all prior laws of the Kaw Nation pertaining to Alcohol including the Kaw Nation Alcohol Control Ordinance, FR Vol. 74, No. 146, 38, 220–38.227.

Section 1.2 Authority

This Ordinance is enacted pursuant to the Act of August 15, 1953. Pub. L. 83-277, 67 Stat. 586, 18 U.S.C. 1161 and Article II, § 4 of the Constitution of the Kaw Nation (hereinafter “Nation” or “Tribe”).

Section 1.3 Purpose

The purpose of this Ordinance is to regulate and control the manufacture, distribution, possession, and Sale of Alcoholic Beverages on Tribal Lands of the Kaw Nation, and to generate revenues to fund necessary Tribal programs and services. The enactment of this Ordinance will enhance the ability of the Kaw Nation to control all such Alcohol-related activities within the jurisdiction of the Tribe and will provide an important source of revenue for the continued operation and strengthening of the Kaw Nation and the delivery of important governmental services.

Section 1.4 Application of Federal Law

Federal law forbids the introduction, possession and Sale of liquor in Indian Country (18 U.S.C. 1154 and other statutes), except when in conformity both with the laws of the State and the Tribe (18 U.S.C. 1161). As such, compliance with this Ordinance shall be in addition to, and not a substitute for, compliance with the laws of the State of Oklahoma.

Section 1.5 Administration of Ordinance

The Tribal Council, through its powers vested under Article II, § 4 of the Constitution of the Kaw Nation and this Ordinance, delegates to the Alcohol Regulatory Authority the authority to

exercise all of the powers and accomplish all of the purposes set forth in this Ordinance, which may include, but are not limited to, the following actions:

A. Adopt and enforce rules and regulations for the purpose of effectuating this Ordinance, which includes the setting of fees, fines and other penalties;

B. Execute all necessary documents; and

C. Perform all matters and actions incidental and necessary to conduct its business and carry out its duties and functions under this Ordinance.

Section 1.6 Sovereign Immunity Preserved

A. The Tribe is immune from suit in any jurisdiction except to the extent that the Tribal Council of the Kaw Nation expressly and unequivocally waives such immunity by approval of such written resolution.

B. Nothing in this Ordinance shall be construed as waiving the sovereign immunity of the Kaw Nation or the Alcohol Regulatory Authority as an agency of the Kaw Nation.

Section 1.7 Applicability

This Ordinance shall apply to all Tribal and commercial enterprises located within Tribal Lands consistent with applicable Federal Liquor Laws.

Section 1.8 Computation of Time

Unless otherwise provided in this Ordinance, in computing any period of time prescribed or allowed by this Ordinance, the day of the act, event, or default from which the designated period time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday. For the purposes of this Ordinance, the term "legal holiday" shall mean all legal holidays under Tribal or Federal law. All documents mailed shall be deemed served at the time of mailing.

Section 1.9 Liberal Construction

Provisions of this Ordinance shall be liberally construed to achieve the purposes set forth, whether clearly stated or apparent from the context of the language used herein.

Section 1.10 Collection of Applicable Fees, Taxes, or Fines

The Alcohol Regulatory Authority shall have the authority to collect all applicable and lawful fees, taxes, and fines from any person or Licensee as imposed by this Ordinance. The failure of any Licensee to deliver applicable taxes collected on the Sale of Alcoholic

Beverages shall subject the Licensee to penalties, including, but not limited to, the revocation of said License.

Article II—Declaration of Public Policy

Section 2.1 Matter of Special Interest

The manufacture, distribution, possession, Sale, and consumption of Alcoholic Beverages within the jurisdiction of the Kaw Nation are matters of significant concern and special interest to the Tribe. The Tribal Council hereby declares that the policy of the Kaw Nation is to eliminate the problems associated with unlicensed, unregulated, and unlawful importation, distribution, manufacture, possession and Sale of Alcoholic Beverages for commercial purposes and to promote temperance in the use and consumption of Alcoholic Beverages by increasing the Tribe's control over such activities on Tribal lands.

Section 2.2 Federal Law

The introduction of Alcohol within the jurisdiction of the Tribe is currently prohibited by Federal law (18 U.S.C. 1154), except as provided for therein, and the Tribe is expressly delegated the right to determine when and under what conditions Alcohol, including Alcoholic Beverages, shall be permitted thereon (18 U.S.C. 1161).

Section 2.3 Need for Regulation

The Tribe finds that the Federal Liquor Laws prohibiting the introduction, manufacture, distribution, possession, Sale, and consumption of Alcoholic Beverages within the Tribal lands have proven ineffective and that the problems associated with same should be addressed by the laws of the Tribe, with all such business activities related thereto subject to the taxing and regulatory authority of the Alcohol Regulatory Authority.
