The BLM will evaluate EOIs and Nominations as provided for in 43 CFR 2809.11 after January 20, 2022. If the BLM receives multiple EOIs or Nominations that overlap or otherwise compete with one another, the BLM may hold a competitive leasing process through a notice of competitive offer in accordance with 43 CFR 2809.13. If no competing EOIs or Nominations are received in a given SEZ, the BLM will presume a future notice of competitive offer, under 43 CFR 2809.13, would receive no bids. As such, if no acceptable EOIs or Nominations for a SEZ are received, and if the authorized officer determines that doing so is in the public interest, the BLM may accept and process non-competitive solar development applications within the areas described in this notice, as provided in 43 CFR 2800 subparts 2803, 2804, and 2805.
