

burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act³⁷ and Rule 19b-4(f)(6) thereunder.³⁸

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act³⁹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁴⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange states that waiver of the operative delay would be consistent with the protection of investors and the public interest because it will ensure fair competition among exchanges by allowing the Exchange to amend the position and exercise limits and immediately benefit a greater number of participants who are MIAX Members and members of Cboe by ensuring consistency and uniformity among competing options exchanges as to the position and exercise limits for these multiply-listed options classes. For this reason, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.⁴¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule

change should be approved or disapproved.

December 16, 2021.

On June 21, 2021, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt new Rules 6.1P-O (Applicability), 6.37AP-O (Market Maker Quotations), 6.40P-O (Pre-Trade and Activity-Based Risk Controls), 6.41P-O (Price Reasonability Checks—Orders and Quotes), 6.62P-O (Orders and Modifiers), 6.64P-O (Auction Process), 6.76P-O (Order Ranking and Display), and 6.76AP-O (Order Execution and Routing) and proposed amendments to Rules 1.1 (Definitions), 6.1-O (Applicability, Definitions and References), 6.1A-O (Definitions and References—OX), 6.37-O (Obligations of Market Makers), 6.65A-O (Limit-Up and Limit-Down During Extraordinary Market Volatility), and 6.96-O (Operation of Routing Broker) to reflect the implementation of the Exchange's Pillar trading technology on its options market. The proposed rule change was published for comment in the **Federal Register** on July 9, 2021.³

On August 18, 2021, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed

In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

rule change, disapprove the proposed rule change, or institute proceedings to determine whether to approve or disapprove the proposed rule change.⁵ On September 28, 2021, the Exchange filed Amendment No. 1 to the proposed rule change, which superseded the proposed rule change as originally filed in its entirety.⁶ On September 29, 2021, the Commission published the proposed rule change, as modified by Amendment No. 1, for notice and comment and instituted proceedings to determine whether to approve or disapprove the proposed rule change, as modified by Amendment No. 1.⁷ The Commission has received no comments on the proposed rule change.

Section 19(b)(2) of the Act⁸ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on July 9, 2021.⁹ January 5, 2022 is 180 days from that date, and March 6, 2022 is 240 days from that date. The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates March 6, 2022 as the date by which the Commission shall either approve or disapprove the proposed rule change, as modified by Amendment No. 1 (File No. SR-NYSEArca-2021-47).

⁵ See Securities Exchange Act Release No. 92696, 86 FR 47350 (August 24, 2021). The Commission designated October 7, 2021, as the date by which the Commission shall approve or disapprove, or institute proceedings to determine whether to approve or disapprove, the proposed rule change.
