DEPARTMENT OF THE INTERIOR

Office of Natural Resources Revenue

[Docket No. ONRR-2011-0002; DS63644000 DRT000000.CH7000 223D1113RT]

States' Decisions on Participating in Accounting and Auditing Relief for Federal Oil and Gas Marginal Properties

AGENCY: Office of Natural Resources Revenue, Interior.

ACTION: Notice.

SUMMARY: In accordance with Office of Natural Resources Revenue (ONRR) regulations, ONRR provides two types of accounting and auditing relief for Federal oil and gas production from marginal properties: (1) The cumulative royalty reports and payments relief option, which allows a lessee or designee to submit one royalty report and payment for the calendar year's production; and (2) other requested relief, which allows a lessee or designee to request any type of accounting and auditing relief that is appropriate for production from the marginal property and meets certain requirements. By October 1 of each calendar year, ONRR provides a list of qualifying marginal Federal oil and gas properties to the States receiving a portion of Federal royalties from those properties. Each State then decides whether to participate in neither, one, or both relief options. This Notice provides the public each State's decision on whether to participate in marginal property relief.

DATES: Effective January 1, 2022.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Sudar, Market and Spatial Analytics, Coordination, Enforcement, Valuations, and Appeals Division, ONRR, at (303) 231-3511; or by email to Robert.Sudar@onrr.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (30 U.S.C. 1726) and 30 CFR part 1204, subpart C, ONRR and States can relieve the lessee of a marginal Federal oil and gas property from certain reporting, accounting, and auditing requirements. ONRR's rules under 30 CFR 1204.202 and 1204.203 authorize two relief options: (1) Cumulative royalty reports and payments relief option, which

allows a lessee or designee to submit one royalty report and payment during a calendar year; and (2) other requested relief, which allows a lessee or designee to request any type of appropriate marginal property accounting and auditing relief that meets the requirements under § 1204.5 and is not prohibited under § 1204.204.

To qualify for the first relief option, *cumulative royalty reports and payments relief option*, properties must produce less than 1,000 barrels-of-oil-equivalent (BOE) per year for the base period (July 1, 2020 through June 30, 2021). Annual reporting relief will begin January 1, 2022, with the annual report and payment due February 28, 2023. If a lessee has an estimated payment on file, the payment due date is March 31, 2023. To qualify for the second relief option, *other requested relief*, the combined equivalent production of the marginal properties during the base period must equal an average daily well production of less than 15 BOE per well per day, as calculated under 30 CFR 1204.4(c).

Each State makes an annual determination as to whether it will participate in neither, one, or both relief options. This Notice fulfills the requirement in ONRR's rules to publish a notice of the State's "intent to allow or not allow certain relief options . . . in the Federal Register no later than 30 days before the beginning of the applicable calendar year." See 30 CFR 1204.208(f).

The following table shows the States with qualifying marginal properties and those States' decisions on whether to participate in neither, one, or both relief options for calendar year 2022. An "N/A" means that no properties within the State met that condition for that type of relief:

State	Cumulative royalty report and payment relief (less than 1,000 BOE per year)	Other accounting and auditing relief (less than 15 BOE per well per day)
Alabama	YES	YES.
Arkansas	N/A	YES.
California	NO	NO.
Colorado	NO	NO.
Kansas	NO	NO.
Louisiana	YES	YES.
Michigan	YES	YES.
Montana	NO	NO.
Nebraska	N/A	NO.
Nevada	YES	YES.
New Mexico	NO	YES.
North Dakota	YES	YES.
Oklahoma	NO	NO.
South Dakota	YES	YES.
Utah	NO	NO.
Wyoming	YES	NO.

Pursuant to 30 U.S.C. 1726(c), a Federal oil and gas property located in

a State where ONRR does not share a portion of Federal royalties with that State (that is, for 2022, a State not listed in the table above) is eligible for relief if it qualifies as a marginal property. For more information on how to obtain relief, please refer to 30 CFR 1204.205.

Authority: Federal Oil and Gas Royalty Management Act of 1982, 30 U.S.C. 1701 *et seq.*, as amended by Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA, Pub. L. 104-185—Aug. 13, 1996, as corrected by Pub. L. 104-200—Sept. 22, 1996).

SUMMARY: Notice is hereby given that the U.S. International Trade Commission ("Commission") has determined to institute a rescission proceeding in the above-captioned investigation and to grant a joint motion for rescission of a limited exclusion order ("LEO") and three cease and desist orders ("CDOs") previously issued in the investigation. The LEO and CDOs are rescinded, and the rescission proceeding is terminated.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 20, 2015, based on a complaint filed by Diebold Incorporated and Diebold Self-Service Systems (collectively, "Diebold"). 80 FR 72735-36 (Nov. 20, 2015). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain automated teller machines, ATM modules, components thereof, and products containing the same by reason of infringement of certain claims of six United States Patents, including U.S. Patent No. 6,082,616 ("the '616 patent"); and U.S. Patent No. 7,832,631 ("the '631 patent"). *Id.* The notice of investigation named as respondents Nautilus Hyosung Inc. of Seoul, Republic of Korea; Nautilus Hyosung America Inc. of Irving, Texas (collectively, "Nautilus"); and HS Global, Inc. of Brea, California ("HS Global"). *Id.* at 72736. The Office of Unfair Import Investigations was not named as a party. *Id.* Nautilus Hyosung Inc. subsequently changed its name to Hyosung TNS Inc. See Commission Order Amending the Remedial Orders at 1 n.1 (Aug. 13, 2019).

On May 19, 2017, the Commission terminated the investigation with a finding of violation of section 337 as to certain claims of the '616 patent and '631 patent. 82 FR 24143-44 (May 25, 2017). The Commission issued a limited exclusion order prohibiting the entry of infringing automated teller machines, ATM modules, components thereof, and products containing the same, and (2) cease and desist orders directed to each of the three respondents. *Id.* at 24144. On August 13, 2019, the Commission amended the remedial orders to remove

the references to the '616 patent, which had expired on June 2, 2018. Order at 2 (Aug. 13, 2019); see generally *Hyosung TNS Inc. v. ITC*, 926 F.3d 1353, 1359 (Fed. Cir. 2019) (finding any disputes concerning the '616 patent to have been mooted by that patent's expiration).

On December 1, 2021, Diebold and Nautilus jointly filed confidential and public versions of a petition to rescind all of the remedial orders based on a settlement agreement. No responses to the petition were filed. Despite that HS Global is not a party to the settlement, Diebold and Nautilus seek the rescission of the remedial orders in their entirety. Diebold and Nautilus also moved that service among the private parties of the settlement agreement be limited to Diebold and Hyosung, and not to HS Global. The Commission has determined to grant that request concerning service.

Having reviewed the petition and determined that it complies with Commission rules, see 19 CFR 210.76(a)(3), the Commission has determined to institute a rescission proceeding and to grant the petition. The LEO and the CDOs directed to each of the three respondents are hereby rescinded.

The rescission proceeding is terminated.

The Commission vote for this determination took place on December 20, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: December 21, 2021.

Lisa Barton,

Secretary to the Commission.
