DEPARTMENT OF HEALTH AND HUMAN SERVICES**Administration for Children and Families****Proposed Information Collection Activity; Annual Report on Households Assisted by the Low Income Home Energy Assistance Program (LIHEAP) (OMB #0970-0060)**

AGENCY: Office of Community Services, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Community Services (OCS), Division of Energy Assistance, is requesting a 3-year extension of the Household Report Form (OMB #0970-0060, expiration February 28, 2022). Submission of the completed report is one requirement for LIHEAP grant recipients applying for federal LIHEAP block grant funds. OCS proposes minor changes related to reporting of supplemental funding and to update reporting dates and number of respondents.

DATES: Comments may be submitted through February 25, 2022. In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: States, the District of Columbia, and the Commonwealth of Puerto Rico are required by the Low-Income Energy Assistance Act of 1981 (42 U.S.C. 8624, Sec 2610) to report statistics for the previous federal fiscal year (FFY) on the following:

- Assisted and applicant households, by type of LIHEAP assistance and funding source;
- Assisted households receiving nominal payments of \$50 or less, by funding source;
- Assisted households receiving only utility payment assistance, by funding source; this information will automatically be transferred to the grant recipient's Performance Data Form;
- Assisted households, regardless of the type(s) of LIHEAP assistance or funding source, excluding households that only receive nominal payments of \$50 or less;
 - Assisted households, by type of LIHEAP assistance and funding source, having at least one vulnerable member who is at least 60 years or older, disabled, or 5 years old or younger;

Indian tribal grant recipients are required to submit data only on the number of households, by funding source, receiving heating, cooling, energy crisis, and/or weatherization benefits.

In FFY 2020, OCS updated the form to allow for the reporting of households served by separate LIHEAP funding types and benefits provided by the following: (1) Funds from regular LIHEAP FFY appropriations acts, including any Continuing Resolutions and final appropriations acts, reallocated prior year funds, and federal LIHEAP funds carried-over to or expended in the current year; (2) supplemental funds from the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) (Pub. L. 116-136); and (3) funds from any subsequent supplemental LIHEAP appropriations acts. ACF proposes similar changes to the report for FFY 2022, including the addition of lines that allow for the reporting of households served by LIHEAP funds from the American Rescue Plan Act of 2021 (Pub. L. 117-2). OCS has also
