

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business

proprietary information, until further notice.¹

Information Required From Interested Parties

Domestic interested parties, as defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that Commerce's information requirements are distinct from the ITC's information requirements. Consult Commerce's regulations for information regarding Commerce's conduct of Sunset Reviews. Consult Commerce's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: December 14, 2021.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Cold-Rolled Steel Flat Products of Brazil: Final Results of the Expedited First Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this expedited sunset review, the Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on certain cold-rolled steel flat products (CRS) from Brazil would be likely to lead to continuation or recurrence of countervailable subsidies at the levels as indicated in the “Final Results of Sunset Review” section of this notice.

DATES: Applicable January 3, 2022.

FOR FURTHER INFORMATION CONTACT: Alex Wood or Steven Seifert, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1959 or (202) 482–3350, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 20, 2016, Commerce published in the **Federal Register** a notice of the CVD order on CRS from Brazil.¹ On June 1, 2021, Commerce published the notice of initiation of the first five-year (sunset) review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² Commerce received notices of intent to participate from Cleveland-Cliffs Inc., Nucor Corporation, Steel Dynamics Inc., and United States Steel Corporation (collectively, domestic interested parties) within the deadline specified in 19 CFR 351.218(d)(1)(i).³

The domestic interested parties claimed interested party status under section 771(9)(C) of the Act as manufacturers or producers of the domestic like product.⁴

On July 1, 2021, Commerce received an adequate substantive response to the *Initiation Notice* from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁵ Commerce also received a response from the Government of Brazil (GOB).⁶ However, we did not receive a substantive response from any other interested party in this proceeding. On July 22, 2021, Commerce notified the U.S. International Trade Commission that it did not receive an adequate substantive response from respondent interested parties.⁷ As a result, Commerce conducted an expedited (120-day) sunset review of the *Order*. On September 1, 2021, officials from Commerce and the GOB met to discuss certain procedural aspects of the expedited sunset review on CRS from Brazil.⁸
