

various revisions to CNMI's primacy program. For the revision covered by this action, EPA promulgated the GWR at 40 CFR subpart S on November 8, 2006 (71 FR 65574). The GWR provides protection against microbial pathogens in public water systems using ground water sources. EPA has determined that the GWR requirements were adopted into the CNMI Commonwealth Register, Section 2141 (alternatively published as Northern Mariana Islands Administrative Code, Title 65, Chapter 20) in a manner that CNMI's regulations are comparable to and no less stringent than the federal requirements. EPA has also determined that CNMI's program revision request meets all of the regulatory requirements for approval, as set forth in 40 CFR 142.12, including a side-by-side comparison of the Federal requirements demonstrating the corresponding CNMI authorities, additional materials to support special primacy requirements of 40 CFR 142.16, a review of the requirements contained in 40 CFR 142.10 necessary for CNMI to attain and retain primary enforcement responsibility, and a statement by the CNMI Attorney General certifying that CNMI's laws and regulations to carry out the program revision were duly adopted and are enforceable. The Attorney General's statement also affirms that there are no environmental audit privilege and immunity laws that would impact CNMI's ability to implement or enforce the CNMI laws and regulations pertaining to the program revision. Therefore, EPA approves this revision of CNMI's approved primacy program. The Technical Support Document, which provides EPA's analysis of CNMI's program revision request, is available by submitting a request to the following email address: R9dw-program@epa.gov. AGENCY: Office of Government-Wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice.

SUMMARY: GSA is updating the mileage reimbursement rate for privately owned automobiles (POA), airplanes, and motorcycles as required by statute. This information will be available in FTR Bulletin 22-05, which can be found on GSA's website at <https://gsa.gov/ftrbulletins>.

DATES: *Applicability date:* This notice applies to travel and relocation performed on or after January 1, 2022 through December 31, 2022.

FOR FURTHER INFORMATION CONTACT: For clarification of content, please contact Ms. Cheryl D. McClain-Barnes, Program Analyst, Office of Government-wide Policy, Office of Asset and Transportation Management, at 202-208-4334, or by email at travelpolicy@gsa.gov. Please cite Notice of FTR Bulletin 22-05.

SUPPLEMENTARY INFORMATION: GSA is required by statute to set the mileage reimbursement rate for privately owned automobiles (POA) as the single standard mileage rate established by the Internal Revenue Service (IRS). The IRS mileage rate for medical or moving purposes is used to determine the POA rate when a Government-furnished automobile is authorized and also represents the privately owned vehicle (POV) standard mileage reimbursement rate for official relocation. Finally, GSA conducts independent reviews of the cost of travel and the operation of privately owned airplanes and motorcycles on an annual basis to determine their corresponding mileage reimbursement rates. These reviews evaluate various factors, such as the cost of fuel, depreciation of the original vehicle cost, maintenance and insurance, state and Federal taxes, and consumer price index data. FTR Bulletin 22-05 establishes and announces the new CY 2022 POV mileage reimbursement rates for official temporary duty and relocation travel. This notice is the only notification to agencies of revisions to the POV mileage rates for official travel and relocation, in addition to the changes posted on GSA's website at <https://gsa.gov/mileage>.
