

publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For companies that have a separate rate, the cash deposit rate will be that established in the final results of this review (except, if the rate is zero or *de minimis*, then zero cash deposit will be required); (2) for previously investigated or reviewed Chinese or non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 167.02 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 315.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h) and 351.221(b)(4).

Dated: December 27, 2021.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

⁶ See Memorandum, "Decision Memorandum for the Partial Rescission and Preliminary Intent to Rescind the 2019-2020 Administrative Review of the Antidumping Duty Order on Welded Line Pipe from the Republic of Turkey," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁷ For a complete description of the scope, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. On April 27, 2021, the petitioners timely withdrew their requests for an administrative review for the 18 companies listed in Appendix I of this notice. No other party requested a review of these companies. Accordingly, we are rescinding this review, in part, with respect to these companies, pursuant to 19 CFR 351.213(d)(1).

Preliminary Intent To Rescind Administrative Review

Regarding the remaining company, Cintas, as discussed in the Preliminary Decision Memorandum, Commerce preliminarily finds that Cintas had no reviewable shipments, sales, or entries of subject merchandise during the POR.⁸ Therefore, we are preliminarily rescinding this review with respect to Cintas, in accordance with 19 CFR 351.213(d)(3).

Verification

On May 17, 2020, Commerce received a request from the petitioners to conduct verification of Cintas's statement that it had no reviewable shipments or sales during the POR and no entries of welded line pipe during the POR were manufactured by Cintas.⁹ Commerce is currently unable to conduct on-site verification of the information relied upon in this review. However, we took additional steps in lieu of an on-site verification to verify this information, in accordance with section 782(i) of the Act.¹⁰

Public Comment

Interested parties are invited to comment on the preliminary rescission of this review. Case briefs or other written comments may be submitted to Commerce no later than 30 days after the date of publication of this notice.¹¹ Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline for

case briefs.¹² Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹⁴ Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹⁵ Parties should confirm the date, time, and location of the hearing two days before the scheduled date.

An electronically-filed document must be received successfully in its entirety via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) by 5:00 p.m. Eastern Time on the established deadline. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information.¹⁶

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁷

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to liquidate any suspended entries for the 18 companies listed in Appendix I at the rate in effect at the time of entry. Further, we previously deferred Cintas's sales reporting for entries made during the 2018–2019 POR to this administrative review and stated that

the 2018–2019 POR entries “will remain suspended until the completion of the review and will be liquidated based on the final results for Cintas.”¹⁸ Thus, if Commerce proceeds to a final rescission of this administrative review with respect to Cintas, Commerce will instruct CBP to assess antidumping duties on and liquidate any of Cintas's suspended entries at the cash deposit rate in effect at the time of entry, including any suspended entries from the 2018–2019 POR.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

If Commerce proceeds to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) of the Act and 19 CFR 351.213(d).

[Docket No. CP20-507-000]

Transcontinental Gas Pipe Line Company, LLC; Sea Robin Pipeline Company, LLC; Florida Gas Transmission Company, LLC; Notice of Request for Extension of Time

Take notice that on December 22, 2021, Transcontinental Gas Pipe Line Company, LLC (Transco), 2800 Post Oak Boulevard, Houston, Texas 77056, requested that the Federal Energy Regulatory Commission (Commission) grant an extension of time, until December 31, 2022, in order to complete abandonment activities as authorized in Transco's VR22 to Shore Abandonment Project (Project) in the March 18, 2021 Order Granting Abandonment¹ (March 18 Order). The March 18 Order, Ordering Paragraph (C) required Transco² to complete abandonment of the facilities within one year of the order date.

Transco's request for an extension of time until December 31, 2022 to complete abandonment of the Project facilities, due the timing of the issuance of the Louisiana Department of Natural Resources' Office of Coastal Management—Coastal Use Permit, which is anticipated to be received early 2022. Transco estimates that it will submit a Notice-to-Proceed request during the first quarter of 2022. Transco states that its extension request is also due to the challenging nature of offshore activities. Transco asserts that the extended time will allow flexibility in scheduling around weather events that may delay abandonment activities.

This notice establishes a 15-calendar day intervention and comment period deadline. Any person wishing to comment on Transco's request for an extension of time may do so. No reply comments or answers will be considered. If you wish to obtain legal status by becoming a party to the
