

actual costs, specifically excluding any Personally Identifiable Information (PII) for any individual employees.

Recipients will also be required to provide additional supporting information and certifications in support of disbursement requests. See Forms AMJP-1A-6.4, AMJP-1A-6.6, and AMJP-1A-6.7.

- DOT may also ask recipient businesses to submit voluntary reports regarding demographic data associated with the workforce that is and is not included in the Eligible Employee Group. This would be voluntary on the part of the employer and based solely on voluntary data self-reported by employees, disaggregated from any Personally Identifiable Information in order to avoid any potential privacy concerns. If a statistically valid sample can be developed, then it may be possible to extrapolate for reporting and program evaluation purposes. Such information may be used to support program evaluation.

- DOT may also ask recipient businesses to identify how they first learned about the AMJP program. Such information may be useful in implementation of future financial assistance programs.

DOT has updated the following estimated public burden figures based on the actual number of applications received as well as observations during the application review process. In order to help reduce the burden on recipients (and particularly on small businesses), DOT decided to make an initial disbursement shortly after award of each agreement. The initial disbursement is up to 50 percent of the award amount. This provides the recipient businesses with an immediate cash infusion, while also reducing the total number of disbursements and the cumulative paperwork required. DOT announced this decision in the application package published on June 15, 2021.

Estimated Number of Respondents: 600 eligible business entities in the aviation manufacturing, maintenance, repair, and overhaul services based in the United States.

Estimated Number of Responses: See “Annual Estimated Total Burden Hours,” below.

Frequency of Collection: One-time application (already completed), to be followed by disbursement requests and final closeout reports (including supporting payroll documentation and reporting requirements).

Estimated Total Annual Burden Hours: Total burden, 16,800 hours (28 hours per respondent including 4 hours for each of 2 disbursement requests; 14

hours for required forms; 2 hours for voluntary demographic data; and 4 hours for closeout documentation).²

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

Issued in Washington, DC, on December 12, 2021.

Program Director, Aviation Manufacturing Jobs Protection (AMJP) Program.

The OCC is soliciting comment concerning the renewal of its information collection titled “Covered Savings Associations.”

DATES: Comments must be received by March 7, 2022.

DOT subsequently reopened the application process for a third and final round, with an application deadline of December 13, 2021. If another 150 applicants apply, then this would represent an additional burden of 2,400 hours at an estimated cost of \$89,740.50.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information that they conduct or sponsor. “Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR

1320.3(c) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of title 44 requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the OCC is publishing notice of the proposed collection of information set forth in this document.

Abstract: The Home Owners' Loan Act (HOLA), as amended by the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA), allows an FSA with total consolidated assets of \$20 billion or less, as of December 31, 2017, to elect to operate as a CSA. This section of HOLA requires the OCC to issue rules that, among other things, establish streamlined standards and procedures for FSA elections to operate as CSAs and clarify the requirements for the treatment of CSA. A CSA has the same rights and privileges as a national bank and is subject to the same duties and restrictions as a national bank.

Twelve CFR part 101 allows Federal savings associations (FSAs) to elect national bank powers and operate as covered savings associations (CSAs). An FSA seeking to operate as a CSA is required under 12 CFR 101.3(a) to submit a notice making an election to the OCC that: (1) Is signed by a duly authorized officer of the FSA; and (2) identifies and describes any nonconforming subsidiaries, assets, or activities that the FSA operates, holds, or conducts at the time its submits its notice.

Under 12 CFR 101.5(a), the OCC may require a CSA to submit a plan to divest, conform, or discontinue a nonconforming subsidiary, asset, or activity.

A CSA may submit a notice to terminate its election to operate as a CSA under 12 CFR 101.6 using similar procedures to those for an election. In addition, after a period of five years, an FSA that has terminated its election to operate as a CSA may submit a notice under 12 CFR 101.7 to reelect using the same procedures used for its original election.
