Certain Softwood Lumber Products From Canada: Notice of Amended Final Results of the Countervailing Duty Administrative Review, 2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is amending its notice of final results of the 2019 administrative review of the countervailing duty (CVD) order on certain softwood lumber products (softwood lumber) from Canada.

DATES: Applicable January 10, 2022.

FOR FURTHER INFORMATION CONTACT: Jonathan Hall-Eastman (Canfor), John Hoffner (JDIL), Kristen Johnson/Samuel Brummitt (Resolute), and Laura Griffith (West Fraser), AD/CVD Operations, Office III, Enforcement and Compliance,

International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1468, (202) 482-3315, (202) 482-4793/(202) 482-7851, and (202) 482-6430, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 2, 2021, Commerce published its final results in the 2019 administrative review of the CVD order on certain softwood lumber from Canada.¹ On December 7, 2021, Resolute FP Canada Inc. (Resolute) alleged that Commerce committed a ministerial error in the *Final Results* regarding the net subsidy rate calculation under the Provision of Stumpage for Less Than Adequate Remuneration (LTAR) programs of the Government of Quebec (GOQ) and Government of Ontario (GOO).² On December 13, 2021, the petitioner³ submitted ministerial error comments, as well as rebuttal comments arguing that Resolute's ministerial error comments were untimely as they were not submitted during the time period specified under Commerce's regulations and therefore Commerce should not change Resolute's stumpage calculations.⁴

In the Petitioner Ministerial Error Allegation Submission, the petitioner alleged with respect to J.D. Irving, Limited (JDIL) that Commerce committed ministerial errors regarding the subsidy calculations for New Brunswick License Management Fees, Capital Cost Allowance for Class 1

¹ See *Certain Softwood Lumber Products from Canada: Final Results of the Countervailing Duty Administrative Review, 2019*, 86 FR 68467 (December 2, 2021) (*Final Results*), and accompanying Issues and Decision Memorandum (IDM).

² See Resolute's Letter, "Softwood Lumber from Canada: CVD Second Administrative Review Ministerial Error Comments On Behalf Of Resolute FP Canada And Affiliates," dated December 7, 2021.

³ The petitioner is the Committee Overseeing Action for Lumber International Trade Investigations or Negotiations, an *ad hoc* association whose members are: U.S. Lumber Coalition, Inc.; Collum's Lumber Products, L.L.C.; Fox Lumber Sales, Inc.; Hankins, Inc.; Pleasant River Lumber Company; PotlatchDeltic; Rex Lumber Company; S.I. Storey Lumber Co., Inc.; Stimson Lumber Company; Swanson Group; Weyerhaeuser Company; Carpenters Industrial Council; Giustina Land and Timber Company; and Sullivan Forestry Consultants, Inc.

⁴ See Petitioner's Letter, "Certain Softwood Lumber Products from Canada: Ministerial Error Allegations," dated December 13, 2021 (Petitioner Ministerial Error Allegation Submission); see also Petitioner's Letter, "Certain Softwood Lumber Products from Canada: Response to Resolute Ministerial Error Allegation," dated December 13, 2021.

Assets, New Brunswick Gasoline & Fuel Tax Exemptions and Refund, and Large Industrial Renewable Energy Purchase (LIREPP) programs.⁵ The petitioner also alleged that Commerce committed ministerial errors with respect to West Fraser Mills Ltd. (West Fraser) regarding the calculated benefit for lower tax rates for Coloured Fuel/British Columbia Coloured Fuel Certification program and for payments made to West Fraser for cruising and block layout activities.⁶ In addition, the petitioner alleged that Commerce miscalculated the net subsidy rate under the Provision of Stumpage for LTAR for the Government of Alberta (GOA), the Government of British Columbia (GBC), and the British Columbia Log Export Restrictions Restraint (LER) programs for West Fraser.⁷ On December 17, 2021, JDIL and West Fraser submitted rebuttal comments to the Petitioner Ministerial Error Allegation Submission.⁸

Scope of the Order⁹

The product covered by the *Order* is certain softwood lumber products from Canada. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum in the *Final Results*.

Ministerial Errors

Section 351.224(e) of Commerce's regulations provides that Commerce will analyze any comments received and, if appropriate, correct any ministerial error by amending the final results of the review. Section 751(h) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.224(f) define a "ministerial error" as an error "in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial."

We analyzed the ministerial error comments and determined, in accordance with section 751(h) of the Act and 19 CFR 351.224(e) and (f), that

⁸ See JDIL's Letter, "Softwood Lumber Products from Canada: Reply to Petitioner's Ministerial Error Allegations," dated December 17, 2021; see also West Fraser's Letter, "Certain Softwood Lumber Products from Canada, Case No. C-122-858: West Fraser Mills Ltd.'s Response to Ministerial Error Comments," dated December 17, 2021.

⁹ See *Certain Softwood Lumber Products from Canada: Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order*, 83 FR 347 (January 3, 2018) (*Order*).

we made the following ministerial errors:¹⁰

(1) We incorrectly calculated JDIL’s benefit under the New Brunswick License Management Fees. Therefore, we have corrected JDIL’s License Management Fees benefit calculation in these amended final results, and we will incorporate JDIL’s corrected total subsidy rate in the amended cash deposit instructions and liquidation instructions.

(2) We incorrectly calculated JDIL’s benefit under the Capital Cost Allowance for Class 1 Assets program. Although the resulting change in JDIL’s benefit amount for this program will not change JDIL’s subsidy rate when rounded to the nearest one-hundredth place, as we are already making other modifications to our calculations, we have determined to correct JDIL’s license management fees benefit calculation in these amended final results.

(3) We incorrectly calculated JDIL’s benefit under the New Brunswick Gasoline & Fuel Tax Exemptions and Refund program. Therefore, we have corrected JDIL’s license management fees benefit calculation in these amended final results, and we will incorporate JDIL’s corrected total subsidy rate in the amended cash deposit instructions and liquidation instructions.

(4) Finally, we incorrectly calculated West Fraser’s benefit under the Coloured Fuel/British Columbia Coloured Fuel Certification program. Therefore, we have corrected West Fraser’s benefit calculation in these amended final results, and we will incorporate West Fraser’s corrected total subsidy rate in the amended cash deposit instructions and liquidation instructions.

With regard to the petitioner’s allegation that we incorrectly calculated the net subsidy rate for JDIL’s LIREPP program, we find no ministerial error because we made a methodological decision in calculating the benefit for certain LIREPP credits. Regarding the petitioner’s allegation that we incorrectly calculated the payments made to West Fraser for cruising and block layout activities, we agree with the petitioner that Commerce conducted an incorrect calculation of the potential benefit under this program, and further acknowledge that this type of error is one Commerce would typically correct as a ministerial error. However, such a

¹⁰ See Memorandum, “Administrative Review of the Countervailing Duty Order on Certain Softwood Lumber Products from Canada: Ministerial Error Allegations in the Final Results,” dated concurrently with this notice.

correction would likely result in calculations upon which interested parties would be unable to brief or provide commentary, given the timing and nature of the change in this review. Accordingly, we are deferring a determination as to whether this program is countervailable until the next administrative review and, thus, not amending our calculation for this program in the *Final Results*.

We find that the petitioner’s allegation that Commerce used an incorrect sales denominator to calculate West Fraser’s benefit under certain programs is untimely, because it was discoverable in the *Preliminary Results*, but not raised in the petitioner’s case brief. Likewise, we find that Resolute’s allegation that Commerce used an incorrect sales denominator to calculate Resolute’s benefit under certain programs is untimely, because it was discoverable in the *Preliminary Results*, but not raised in the Resolute’s case brief. As such, we are rejecting both of these allegations as untimely filed allegations.

Company Name Corrections

In the *Final Results*, we listed Chaleur Sawmills LP and Fornebu Lumber Company Inc., as non-selected exporters/producers.¹¹ We, however, previously found that the successors-in-interest to Chaleur Sawmills LP and Fornebu Lumber Co. Inc. are Chaleur Forest Products LP and Chaleur Forest Products Inc.¹² Consequently, we are correcting the companies that are subject to this administrative review to Chaleur Forest Products LP and Chaleur Forest Products Inc. See Appendix to this notice for a list of the non-selected exporters/producers subject to this review.
