

III. Request for Nominations

USTR is soliciting nominations for membership on the TACA. To apply for membership, an applicant must meet the following eligibility criteria at the time of application and at all times during their term of service as a TACA member:

1. The applicant must be a U.S. citizen.
2. The applicant cannot be a full-time employee of a U.S. governmental entity.
3. If serving in an individual capacity as an SGE, the applicant cannot be a federally registered lobbyist.
4. The applicant cannot be registered with the U.S. Department of Justice under the Foreign Agents Registration Act.
5. The applicant must be able to obtain and maintain a security clearance.
6. For representative members, who will comprise virtually all of the TACA membership, the applicant must represent a U.S. organization whose members (or funders) have a demonstrated interest in issues relevant to U.S. African trade and investment or have personal experience or expertise in United States-sub-Saharan African trade.

For eligibility purposes, a "U.S. organization" is an organization established under the laws of the United States, that is controlled by U.S. citizens, by another U.S. organization (or organizations), or by a U.S. entity (or entities), determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable. To qualify as a U.S. organization, more than 50 percent of the board of directors (or comparable governing body) and more than 50 percent of the membership of the organization to be represented must be U.S. citizens, U.S. organizations, or U.S. entities. Additionally, at least 50 percent of the organization's annual revenue must be attributable to nongovernmental U.S. sources.

7. For members who will serve in an individual capacity, the applicant must possess subject matter expertise regarding sub-Saharan Africa trade issues.

In order to be considered for TACA membership, interested persons should submit the following to Ethan Holmes, Director for Private Sector Engagement, at Ethan.M.Holmes@ustr.eop.gov:

- Name, title, affiliation, and contact information of the individual requesting consideration.
- If applicable, a sponsor letter on the organization's letterhead containing a brief description of the manner in which

international trade affects the organization and why USTR should consider the applicant for membership.

- The applicant's personal resume.
- An affirmative statement that the applicant and the organization they represent meet all eligibility requirements.

USTR will consider applicants who meet the eligibility criteria in accordance with equal opportunity practices that promote diversity, equity, inclusion, and accessibility, based on the following factors:

- Ability to represent the sponsoring U.S. entity's or U.S. organization's and its subsector's interests on sub-Saharan Africa trade matters.
- Knowledge of and experience in trade matters relevant to the work of the TACA and USTR.
- How they will contribute to trade policies that eliminate social and economic structural barriers to equality and economic opportunity and to understanding of the projected impact of proposed trade policies on communities of color and underserved communities.
- Ensuring that the TACA is balanced in terms of points of view, demographics, geography, and entity or organization size.

Assistant U.S. Trade Representative for Africa, Office of the United States Trade Representative.
