

Secondary Education Act of 1965, as amended (ESEA) (20 U.S.C. 7801(2)).

In addition to using the SPPE data as general information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including, but not limited to, title I, part A, of the ESEA, Impact Aid, and Indian Education programs. Other programs, such as the Education for Homeless Children and Youth program under title VII of the McKinney-Vento Homeless Assistance Act, and the Student Support and Academic Enrichment Grants under title IV, part A of the ESEA make use of SPPE data indirectly because their formulas are based, in whole or in part, on State title I, part A, allocations.

In January 2022, the Census Bureau, acting as the data collection agent for NCES, will email ED Form 2447 to SEAs, with instructions, and will request that SEAs commence submitting FY 2021 data to the Census Bureau on Monday, January 31, 2022. SEAs are urged to submit accurate and complete data by Friday, March 25, 2022, to facilitate timely processing.

Submissions by SEAs to the Census Bureau will be analyzed for accuracy and returned to each SEA for verification. SEAs must submit all data, including any revisions to FY 2020 and FY 2021 data, to the Census Bureau no later than Monday, August 15, 2022. Any resubmissions of FY 2020 or FY 2021 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed by Tuesday, September 6, 2022. Between August 15, 2022, and September 6, 2022, SEAs may also, on their own initiative, resubmit data to resolve issues not addressed in their NPEFS data submitted by August 15, 2022. All outstanding data issues must be reconciled or resolved by the SEAs, NCES, and the Census Bureau as soon as possible, but no later than September 6, 2022.

In order to facilitate timely submission of data, the Census Bureau will send reminder notices to SEAs in June and July of 2022.

Having accurate, consistent, and timely information is critical to an efficient and fair Department of Education (Department) allocation

process and to the NCES statistical process. The Department establishes Monday, August 15, 2022, as the date by which SEAs must submit data using either the interactive survey form on the NPEFS data collection website at <https://surveys.nces.ed.gov/ccdnpefs/> or ED Form 2447. This date is established to ensure that the best, most accurate data will be available to support timely distribution of Federal education funds.

Any resubmissions of FY 2020 or FY 2021 data by SEAs in response to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau must be completed through the interactive survey form on the NPEFS data collection website or ED Form 2447 by Tuesday, September 6, 2022. If an SEA submits revised data after the September 6, 2022, deadline that result in a lower SPPE figure, the SEA's allocations may be adjusted downward, or the Department may direct the SEA to return funds.

Note: The following are important dates in the data collection process for FY 2021 data and revisions to reports for previous fiscal years:

Date	Activity
January 31, 2022	SEAs can begin to submit data for FY 2021 and revisions to previously submitted data for FY 2020.
March 25, 2022	Date by which SEAs are urged to submit accurate and complete data for FY 2021 and FY 2020.
August 15, 2022	Mandatory final submission date for FY 2021 and FY 2020 data to be used for program funding allocation purposes.
September 6, 2022	Mandatory final deadline for responses by SEAs to requests for clarification or reconciliation or other inquiries by NCES or the Census Bureau. Between August 15, 2022, and September 6, 2022, SEAs may also, on their own initiative, resubmit data to resolve issues not addressed in their NPEFS data submitted by August 15, 2022. By September 6, 2022, all data issues must be resolved.

FEDERAL DEPOSIT INSURANCE CORPORATION

RIN 3064-ZA29

Notice of Inflation Adjustments for Civil Money Penalties

AGENCY: Federal Deposit Insurance Corporation.

ACTION: Notice of monetary penalties 2022.

SUMMARY: The Federal Deposit Insurance Corporation is providing notice of its maximum civil money penalties as adjusted for inflation.

DATES: The adjusted maximum amounts of civil money penalties in this notice are applicable to penalties assessed after January 15, 2022, for conduct occurring on or after November 2, 2015.

FOR FURTHER INFORMATION CONTACT: Graham N. Rehrig, Senior Attorney, Legal Division, (703) 314-3401, grehrig@fdic.gov; Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.

SUPPLEMENTARY INFORMATION: This notice announces changes to the maximum amount of each civil money penalty (CMP) within the Federal Deposit Insurance Corporation's (FDIC) jurisdiction to administer to account for

inflation under the Federal Civil Penalties Inflation Adjustment Act of 1990 (1990 Adjustment Act),¹ as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (2015 Adjustment Act).² Under the 1990 Adjustment Act, as amended, federal agencies must make annual adjustments to the maximum amount of each CMP the agency administers. The Office of Management and Budget (OMB) is required to issue guidance to federal agencies no later than December 15 of each year providing an inflation-adjustment multiplier (*i.e.*, the inflation-adjustment factor agencies must use) applicable to CMPs assessed in the following year.

Agencies are required to publish their CMPs, adjusted under the multiplier provided by the OMB, by January 15 of the applicable year. Agencies, like the FDIC, that have codified the statutory formula for making the CMP adjustments may make annual inflation adjustments by providing notice in the **Federal Register**.³

On December 15, 2021, the OMB issued guidance to affected agencies on implementing the required annual adjustment, which guidance included the relevant inflation multiplier.⁴ The FDIC has applied that multiplier to the maximum CMPs allowable in 2021 for FDIC-supervised institutions to calculate the maximum amount of CMPs that may be assessed by the FDIC in 2022.⁵ There were no new statutory CMPs administered by the FDIC during 2021.

The following charts provide the inflation-adjusted maximum CMP amounts for use after January 15, 2022—the effective date of the 2022 annual adjustments—under 12 CFR part 308, for conduct occurring on or after November 2, 2015:
