DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.transportation.gov/privacy.

II. Background

Under 49 U.S.C. 31136(e) and 31315(b), FMCSA may grant an exemption from the FMCSRs for no longer than a 5-year period if it finds such exemption would likely achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption. The statute also allows the Agency to renew exemptions at the end of the 5-year period. FMCSA grants medical exemptions from the FMCSRs for a 2-year period to align with the maximum duration of a driver’s medical certification.

The 23 individuals listed in this notice have requested an exemption from the hearing requirement in 49 CFR 391.41(b)(11). Accordingly, the Agency will evaluate the qualifications of each applicant to determine whether granting the exemption will achieve the required level of safety mandated by statute.

The physical qualification standard for drivers regarding hearing found in

§ 391.41(b)(11) states that a person is physically qualified to drive a CMV if that person first perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a hearing aid when the audiometric device is calibrated to American National Standard (formerly ASA Standard) Z24.5—1951.

This standard was adopted in 1970 and was revised in 1971 to allow drivers to be qualified under this standard while wearing a hearing aid, 35 FR 6458, 6463 (Apr. 22, 1970) and 36 FR 12857 (July 3, 1971).

On February 1, 2013, FMCSA announced in a Notice of Final Disposition titled, “Qualification of Drivers; Application for Exemptions; National Association of the Deaf,” (78 FR 7479), its decision to grant requests from 40 individuals for exemptions from the Agency’s physical qualification standard concerning hearing for interstate CMV drivers. Since that time the Agency has published additional notices granting requests from hard of hearing and deaf individuals for exemptions from the Agency’s physical qualification standard concerning hearing for interstate CMV drivers.

Federal Transit Administration

[FTA Docket No. FTA 2022–0002]

National Transit Database Census Reporting Clarifications

AGENCY: Federal Transit Administration, Department of Transportation (DOT).

ACTION: Notice; Request for comments.

SUMMARY: This notice provides interested parties with the opportunity to comment on changes to the Federal Transit Administration’s (FTA) National Transit Database (NTD) reporting requirements as they relate to Urbanized Areas (UZA). Each year, transit systems use data from the Census Bureau to update their basic information (B–10) form indicating what urbanized areas and rural areas they serve, and also to complete their Federal Funding Allocation (FFA–10) form distributing their service data across those urbanized and rural areas. The Census Bureau is expected to define new UZAs based on 2020 Census data in calendar year 2022. FTA proposes that for NTD Report Year 2021 (RY 2021), transit systems would be required to complete a B–10 and FFA–10 form based on the UZAs from the 2010 Census, as usual. If the Census Bureau releases new UZAs prior to October 1, 2022, then transit systems would be required to complete new B–10 and FFA–10 forms as an addendum to the annual report at that time.

DATES: Comments are requested by February 18, 2022. FTA will consider all comments received before the close of business on the comment closing date. To the extent practicable, FTA may also consider comments received after that date.

ADDRESSES: You may file comments identified by docket number FTA–2022–0002 by any of the following methods:

- *Mail:* Send comments to Docket Management Facility; U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12–140, Washington, DC 20590–0001.
