

2020, Commerce intends to instruct CBP to liquidate those entries at the applicable CVD rates for those entries.²

Background

On December 14, 2021, Commerce published in the **Federal Register** the final determinations in the circumvention inquiries of the AD orders on certain uncoated paper from Brazil, China, and Indonesia and the CVD orders on certain uncoated paper from China and Indonesia.³ In the *Final Determination*, we inadvertently did not address Commerce's intent to instruct CBP to liquidate certain entries of uncoated paper from China. This notice serves to correct the "Liquidation of Entries" section of the *Final Determination*. No other changes have been made to the *Final Determination*.

Notification to Interested Parties

This determination is issued and published in accordance with section 781(a) of the Tariff Act of 1930, as amended, and 19 CFR 351.225(g).

Dated: January 13, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.
