BILLING CODE 4140-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Prospective Grant of Exclusive Patent License: Development and Commercialization of Regulatory T-Cell Therapies for the Treatment of Multiple Sclerosis (MS)

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The National Institute of Allergy and Infectious Diseases, an

institute of the National Institutes of Health, Department of Health and Human Services, is contemplating the grant of an Exclusive Patent License to practice the inventions embodied in the Patents and Patent Applications listed in the **SUPPLEMENTARY INFORMATION** section of this notice to TeraImmune, Inc. (“TeraImmune”) located in Gaithersburg, Maryland, USA.

DATES: Only written comments and/or applications for a license which are received by the National Institute of Allergy and Infectious Diseases’ Technology Transfer and Intellectual Property Office on or before February 9, 2022 will be considered.

ADDRESSES: Requests for copies of the patent application, inquiries, and comments relating to the contemplated Exclusive Patent License should be directed to: Dr. Yogikala Prabhu, Technology Transfer and Patent Specialist, Technology Transfer and Intellectual Property Office, National Institute of Allergy and Infectious Diseases, 5601 Fishers Lane, Suite 6D, MSC9804, Rockville, MD 20852-9804 Telephone: (301) 496-2644; Facsimile: (240) 627-3117; Email: prabhuyo@niaid.nih.gov.

SUPPLEMENTARY INFORMATION:

Intellectual Property

- U.S. Patent 9,481,866, entitled “Methods of Producing T Cell Populations Enriched for Stable Regulatory T-Cells” [HHS Reference No. E-279-2011/0-US-02]
- U.S. Patent 11,060,059, entitled “Methods of Producing T Cell Populations Enriched for Stable Regulatory T-Cells” [HHS Reference No. E-279-2011/0-US-03]
- U.S. Divisional Application No. 17/371,589—filed July 9, 2021, entitled “Methods of Producing T Cell Populations Enriched for Stable Regulatory T-Cells” [HHS Reference No. E-279-2011/0-US-04]

The patent and patent application rights in these inventions have been assigned to the government of the United States of America.

The prospective exclusive license territory may be worldwide, and the field of use may be limited to: “Use of the Licensed Patent Rights to develop and commercialize Treg cell therapies for the treatment of multiple sclerosis (MS).”

The technology is directed to a method for producing or growing cell populations that are enriched for stable, highly suppressive regulatory T cells (Tregs). Tregs are critical in regulating immune system processes that maintain tolerance to self-antigens and prevent

immune mediated diseases. The method takes a population of cells comprising stable, regulatory T cells and enriched for specific CD markers, cultures these cells in the presence of interleukin-2, an anti-CD3 antibody, an anti-CD28 antibody, and oligodeoxynucleotides of specified length having a phosphorothioate backbone, and yields the expansion of the initial population of regulatory T-cells. The expanded Tregs may then be used for the treatment of immune-mediated diseases.

This notice is made in accordance with 35 U.S.C. 209 and 37 CFR part 404. The prospective exclusive license will be royalty bearing, and the prospective exclusive license may be granted unless within fifteen (15) days from the date of this published notice, unless the National Institute of Allergy and Infectious Diseases receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR part 404.

Complete applications for a license in the prospective field of use that are timely filed in response to this notice will be treated as objections to the grant of the contemplated exclusive patent commercialization license.

In response to this notice, the public may file comments or objections. Comments and objections, other than those in the form of a license application, will not be treated confidentially, and may be made publicly available.

License applications submitted in response to this notice will be presumed to contain business confidential information and any release of information from these license applications will be made only as required and upon a request under the *Freedom of Information Act*, 5 U.S.C. 552.

Dated: January 19, 2022.

Surekha Vathyam,

Deputy Director, Technology Transfer and Intellectual Property Office, National Institute of Allergy and Infectious Diseases.

National Institutes of Health

National Human Genome Research Institute; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Human Genome Research Institute Special Emphasis Panel; Gabriella Miller Kids First Sequencing Center.

Date: March 21, 2022.

Time: 1:00 p.m. to 3:30 p.m.

Agenda: To review and evaluate grant applications.

Place: National Human Genome Research Institute, National Institutes of Health, 6700B Rockledge Drive, Suite 3100, Bethesda, MD 20892 (Virtual Meeting).

Contact Person: Barbara J. Thomas, Ph.D., Scientific Review Officer, Scientific Review Branch, National Human Genome Research Institute, National Institutes of Health, 6700B Rockledge Drive, Suite 3100, Bethesda, MD 20892, (301) 402-8837, barbara.thomas@nih.gov.

National Institutes of Health

National Cancer Institute; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the National Cancer Advisory Board.

The meeting will be held as a virtual meeting and is open to the public as indicated below. Individuals who plan to view the virtual meeting and need special assistance or other reasonable accommodations to view the meeting should notify the Contact Person listed below in advance of the meeting. The meeting will be videocast and can be accessed from the NIH Videocasting and Podcasting website (<http://videocast.nih.gov/>).

A portion of the National Cancer Advisory Board meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Cancer Advisory Board.

Date: February 10, 2022.

Open: 11:45 a.m. to 12:45 p.m.

Agenda: NCAB Subcommittee Meeting—*Ad Hoc* Subcommittee on Global Cancer Research.

Open: 1:00 p.m.–3:45 p.m.

Agenda: Director's and Program reports and presentations; business of the Board.

Closed: 3:55 p.m.–5:30 p.m.

Agenda: To review and evaluate grant applications.

Place: National Cancer Institute Shady Grove, 9609 Medical Center Drive, Bethesda, MD 20892 (Virtual Meeting).

Contact Person: Paulette S. Gray, Ph.D., Director, Division of Extramural Activities, National Cancer Institute—Shady Grove, National Institutes of Health, 9609 Medical Center Drive, 7th Floor, Room 7W444, Bethesda, MD 20892, 240-276-6340, grayp@mail.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

Information is also available on the Institute's/Center's home page: NCAB: <https://deainfo.nci.nih.gov/advisory/ncab/ncabmeetings.htm>, where an agenda, instructions for accessing the virtual NCAB meetings, and any additional information for the meetings will be posted when available.

This notice is being published less than 15 days prior to the meeting due to scheduling difficulties.
