Bureau of Industry and Security

In the Matter of: Khaldoun Hejazi, 1112 West Howe Street, Boise, ID 83706 Order Denying Export Privileges

On March 3, 2020, in the U.S. District Court for the District of Idaho, Khaldoun Hejazi ("Hejazi") was convicted of violating Section 38 of the Arms Export Control Act (22 U.S.C. 2778) ("AECA"). Specifically, Hejazi was convicted of knowingly and willfully conspiring to export, and causing to be exported, firearms from the United States, which were designated as defense articles on the United States Munitions List, without having first obtained the required licenses or written approval from the U.S. Department of State. As a result of his conviction, the Court sentenced Hejazi to (1) 30 months in

prison, (2) three years of supervised released, (3) a \$30,000 criminal fine, and (4) a \$100 court assessment.

Pursuant to Section 1760(e) of the Export Control Reform Act (“ECRA”), the export privileges of any person who has been convicted of certain offenses, including, but not limited to, Section 38 of the AECA, may be denied for a period of up to ten (10) years from the date of his/her conviction. *See* 50 U.S.C. 4819(e). In addition, any Bureau of Industry and Security (“BIS”) licenses or other authorizations issued under ECRA, in which the person had an interest at the time of the conviction, may be revoked. *Id.*

BIS received notice of Hejazi’s conviction for violating Section 38 of the AECA. BIS provided notice and opportunity for Hejazi to make a written submission to BIS, as provided in Section 766.25 of the Export Administration Regulations (“EAR” or the “Regulations”). 15 CFR 766.25.¹ While Hejazi contacted BIS indicating that he may submit a response, to date, BIS has not received a written submission from Hejazi.

Based upon my review of the record and consultations with BIS’s Office of Exporter Services, including its Director, and the facts available to BIS, I have decided to deny Hejazi’s export privileges under the Regulations for a period of five years from the date of Hejazi’s conviction. The Office of Exporter Services has also decided to revoke any BIS-issued licenses in which Hejazi had an interest at the time of his conviction.²

Accordingly, it is hereby ordered:

First, from the date of this Order until March 3, 2025, Khaldoun Hejazi, with a last known address of 1112 West Howe Street, Boise, ID 83706, and when acting for or on his behalf, his successors, assigns, employees, agents or representatives (“the Denied Person”), may not directly or indirectly participate in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, license exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or engaging in any other activity subject to the Regulations; or

C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or from any other activity subject to the Regulations.

Second, no person may, directly or indirectly, do any of the following:

A. Export, reexport, or transfer (in-country) to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, pursuant to section 1760(e) of ECRA (50 U.S.C. 4819(e)) and sections 766.23 and 766.25 of the Regulations, any other person, firm, corporation, or business organization related to Hejazi by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or

business may also be made subject to the provisions of this Order in order to prevent evasion of this Order.

Fourth, in accordance with part 756 of the Regulations, Hejazi may file an appeal of this Order with the Under Secretary of Commerce for Industry and Security. The appeal must be filed within 45 days from the date of this Order and must comply with the provisions of part 756 of the Regulations.

Fifth, a copy of this Order shall be delivered to Hejazi and shall be published in the **Federal Register**.

Sixth, this Order is effective immediately and shall remain in effect until March 3, 2025.

John Sonderman,

Director, Office of Export Enforcement.
