

effective twenty-four (24) hours after service of notice thereof upon the licensee. During any period of suspension of a license, the licensee shall have and exercise no rights or privileges whatsoever under the license.

5. After revocation of a license, the licensee's rights and privileges under such license shall terminate twenty-four (24) hours after service of notice thereof upon the licensee. Any licensee whose license is revoked shall not be granted any license under the provisions of this Title for a period of two (2) years from the date of revocation.

Section 16-4-12. Enjoining Business.
In addition to any other remedies available to it, the Board may bring, in the name of the Tribe, an action in any appropriate court to enjoin the operation of any unlicensed business, activity, or function when this Title requires a license for the conduct of such business, activity, or function or of any other unlawful business, activity, or function. The enjoining of any person pursuant to this Section shall be deemed an exclusion of the person pursuant to the Tribe's power to exclude and other inherent powers and authority of the Tribe.

Section 16-4-13. Seizure of Contraband.

1. In addition to any other remedies available to it, the Board, pursuant to an order issued by the Board, may seize any liquor possessed contrary to the terms of this Title, including liquor possessed for manufacture or sale, as contraband.

2. Upon seizure of any liquor pursuant to this Section, the Board shall inventory all items seized and leave a written copy of such inventory with the person from whom it was seized or, if such person cannot be found, posted at the place from which the liquor was seized.

3. Any person who claims an ownership interest, right of possession to, or other interest in liquor seized pursuant to this Section may request a formal conference regarding or file an appeal of the Board's seizure of such liquor in accordance with the provisions of this Chapter governing appeals before the Board.

4. Upon the expiration or conclusion of any appeal permitted under this Chapter of seizure of liquor pursuant to this Section, including permitted judicial review, such liquor shall be forfeited and all title and ownership interest in such liquor shall vest in the Tribe unless an appeal or judicial review returns such liquor to the person from whom it was seized or other person entitled thereto.

5. If necessary, the Board may file a complaint for forfeiture against any liquor seized pursuant to this Section in the Tribal Court. Upon the Board showing by a preponderance of the evidence that seized liquor is contraband under this Title, the Tribal Court shall enter an order that such liquor is forfeited and that all title and ownership interest in such liquor is vested in the Tribe.

6. Any liquor seized pursuant to this Section to which title has vested in the Tribe that is no longer required for evidence may be sold for the benefit of the Tribe or destroyed under the supervision of the Board.

Section 16-4-14. Sovereign Immunity in Enforcement.

1. Except for valid judicial review of a decision of the Board as provided in this Title, nothing in this Title shall be construed as limiting, waiving, or abrogating the sovereignty or the sovereign immunity of the Board or any of its agents, officers, officials, personnel, or employees.

2. An action brought or taken by the Board, including without limitation the bringing of suit for the collection of fines or enjoining a business, activity, or function, shall not constitute a waiver of sovereign immunity as to any counterclaim, regardless of whether the asserted counterclaim arises out of the same transaction or occurrence or in any other respect.

3. No economic enterprise of the Tribe may claim sovereign immunity as a defense to any action brought or taken by the Board, including a suit for the collection of fines or the enjoining of a business, activity, or function of such economic enterprise and, to the extent necessary, the Tribe waives the sovereign immunity of its economic enterprises in any action brought or taken by the Board against such economic enterprises.

SUPPLEMENTARY INFORMATION:

Introduction

Section 743 of Division C of the Consolidated Appropriations Act of 2010 (Pub. L. 111-117) requires civilian agencies to prepare an annual inventory of their service contracts. The analyses help inform agency managers whether contractors are being used appropriately or if rebalancing the workforce may be required.

In addition to the agency analyses, the process includes extracting contract data from the Federal Procurement Data System (FPDS) and the System for Award Management (SAM) and the consolidated output file is posted for public use.

The Inventory provides information on service contract actions over \$25,000 that the Department made in FY 2019. The information is organized by function to show how contracted resources are distributed throughout the Department. The Department's analysis of its Service Contract Inventory is summarized in the FY 2019 Service Contract Inventory Report. The 2019 Report was developed in accordance with guidance issued on December 19, 2011 and November 5, 2010, by the Office of Management and Budget's Office of Federal Procurement Policy.

Authority: The authority for this action is the Consolidated Appropriations Act of 2010 (Pub. L. 111-117).

Megan Olsen,

Director, Office of Acquisition and Property Management, Department of the Interior.
