

Continuing Education Regulatory Element Session Fee for all Registrations of \$18 will be assessed by FINRA to all Members who are required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange General 4, Section 1240. Likewise, with respect to the \$100 MQP Fee, the Exchange does not believe that this proposal creates an unnecessary or inappropriate intra-market burden on competition because the fee will be assessed by FINRA to all individuals electing to participate in the continuing education program under FINRA Rule 1240(c) for each year that such individual is participating in the program. Finally, eliminating the outdated \$100 fee for continuing education does not create an unnecessary or inappropriate intra-market burden on competition as test center delivery of the Regulatory Element was phased out and the continuing education programs are no longer offered at testing centers.¹³ Further, the proposal does not impose an undue burden on competition because the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

Technical Amendment

The Exchange’s proposal to make a technical amendment within the FINRA Web CRD Fees does not impose an undue burden on competition as it is a non-substantive amendment.

SUPPLEMENTARY INFORMATION: Section 1102 of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116-136, authorized SBA to guarantee loans made by banks or other financial institutions under a new temporary 7(a) program titled the "Paycheck Protection Program" ("PPP") to small businesses, certain non-profit organizations, veterans' organizations, Tribal business concerns, independent contractors and self-employed individuals adversely impacted by the Coronavirus Disease (COVID-19) Emergency. This authority initially expired on August 8, 2020. The Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act (Economic Aid Act), Public Law 116-260, renewed SBA's authority to make PPP loans until March 31, 2021, and added authority for second draw PPP loans under § 7(a)(37) of the Small Business Act. The program authority was further extended until June 30, 2021, by the PPP Extension Act of 2021, Public Law 117-6.

This information collection is currently approved for the PPP Loan Program under the emergency procedures authorized by 5 U.S.C. 3507(j) and 5 CFR 1320.13. This approval will expire on January 31, 2022. Although SBA's PPP program authority has expired, this information collection is still needed for the following reasons: (1) PPP borrowers may apply for forgiveness of their loans up to the date of loan maturity, which may be as late as 2026; and (2) SBA may review a PPP loan at any time. Therefore, as required by the Paperwork Reduction Act, SBA is publishing this notice as a prerequisite to seeking OMB's approval to ensure this information collection is available for use beyond January 31, 2022. SBA did not receive any comments in response to the notice published at 86 FR 35144 on July 1, 2021. This notice provides another opportunity for the public to submit comments on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.
