

DEPARTMENT OF THE TREASURY**31 CFR Subtitles A and B****Semiannual Agenda and Regulatory Plan****AGENCY:** Department of the Treasury.**ACTION:** Semiannual Regulatory Agenda and annual regulatory plan.

SUMMARY: This notice is given pursuant to the requirements of the Regulatory Flexibility Act and Executive Order (E.O.) 12866 (“Regulatory Planning and Review”), which require the publication by the Department of a semiannual agenda of regulations. E.O. 12866 also requires the publication by the Department of a regulatory plan for the upcoming fiscal year. The purpose of the agenda is to provide advance information about pending regulatory activities and encourage public participation in the regulatory process.

FOR FURTHER INFORMATION CONTACT: The Agency contact identified in the item relating to that regulation.

SUPPLEMENTARY INFORMATION: The semiannual regulatory agenda includes regulations that the Department has issued or expects to issue and rules currently in effect that are under departmental or bureau review. For this edition of the regulatory agenda, the most important significant regulatory actions and a Statement of Regulatory

Priorities are included in the Regulatory Plan, which appears in both the online Unified Agenda and in part II of the **Federal Register** publication that includes the Unified Agenda.

The complete Unified Agenda will be available online at www.reginfo.gov and www.regulations.gov in a format that offers users an enhanced ability to obtain information from the Agenda database. Because publication in the **Federal Register** is mandated for the regulatory flexibility agenda required by the Regulatory Flexibility Act (5 U.S.C. 602), Treasury’s printed agenda entries include only:

(1) Rules that are in the regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Rules that have been identified for periodic review under section 610 of the Regulatory Flexibility Act.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act’s Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the internet. In addition, for fall editions of the Agenda, the entire Regulatory Plan will continue to be printed in the **Federal Register**, as in past years.

The Department has listed in this agenda all regulations and regulatory

reviews pending at the time of publication, except for technical, minor, and routine actions. On occasion, a regulatory matter may be inadvertently left off of the agenda or an emergency may arise that requires the Department to initiate a regulatory action not yet on the agenda. There is no legal significance to the omission of an item from this agenda. For most entries, Treasury includes a projected date for the next rulemaking action; however, the date is an estimate and is not a commitment to publish on the projected date. In addition, some agenda entries are marked as “withdrawn” when there has been no publication activity. Withdrawal of a rule from the agenda does not necessarily mean that a rule will not be included in a future agenda but may mean that further consideration is warranted and that the regulatory action is unlikely in the next 12 months.

Public participation in the rulemaking process is the foundation of effective regulations. For this reason, the Department invites comments on all regulatory and deregulatory items included in the agenda and invites input on items that should be included in the semiannual agenda.

**359. Clarification of the Requirement

Legal Authority: 12 U.S.C. 1829b; 12 U.S.C. 1951 to 1959; 31 U.S.C. 5311 to 5314; 31 U.S.C. 5316 to 5336

Abstract: The Board of Governors of the Federal Reserve System and FinCEN (collectively, the “Agencies”) intend to issue a revised proposal to clarify the meaning of “money” as used in the rules implementing the Bank Secrecy Act requiring financial institutions to collect, retain, and transmit information on certain funds transfers and transmittals of funds. The Agencies intend that the revised proposal will ensure that the rules apply to domestic and cross-border transactions involving convertible virtual currency, which is a medium of exchange (such as cryptocurrency) that either has an equivalent value as currency, or acts as a substitute for currency, but lacks legal

tender status. The Agencies further intend that the revised proposal will clarify that these rules apply to domestic and cross-border transactions involving digital assets that have legal tender status.

Legal Authority: 12 U.S.C. 1829b; 12 U.S.C. 1951 to 1959; 31 U.S.C. 5311 to 5314; 31 U.S.C. 5316 to 5336

Abstract: On April 5, 2021, FinCEN issued an Advance Notice of Proposed Rulemaking (ANPRM) entitled “Beneficial Ownership Information Reporting Requirements,” relating to the Corporate Transparency Act (Sections 6401–6403 of the Anti-Money Laundering Act of 2020 (the AML Act)), and intends to issue a Notice of Proposed Rulemaking. Section 6403 amends the Bank Secrecy Act by adding new Section 5336 to title 31 of the United States Code. New Section 5336 requires FinCEN to issue rules requiring: (i) Reporting companies to submit certain information about the individuals who are beneficial owners of those entities and the individuals who formed or registered those entities; (ii) establishing a mechanism for issuing FinCEN identifiers to entities and individuals that request them; (iii) requiring FinCEN to maintain the information in a confidential, secure non-public database; and (iv) authorizing FinCEN to disclose the information to certain government agencies and financial institutions for purposes specified in the legislation and subject to protocols to protect the confidentiality of the information. Section 5336 requires that the first of these requirements, notably the

beneficial ownership information reporting regulation for legal entities (the “reporting regulation”), be published in final form by January 1, 2022. The ANPRM solicited comments on a wide range of questions having to do with the possible shape of the reporting regulation, as well as questions that concern the interaction of the requirements of this regulation and the shape and functionality of the database that will be populated with the information reported under Section 5336.

This section amends the Bank Secrecy Act (31 U.S.C. 5312(a)(2)) to include as a financial institution a person engaged in the trade of antiquities, including an advisor, consultant, or any other person who engages as a business in the solicitation or the sale of antiquities, subject to regulations prescribed by the Secretary of the Treasury. Abstract: FinCEN intends to issue a Notice of Proposed Rulemaking to implement Section 6101 of the Anti-Money Laundering Act of 2020 (the AML Act). That section, among other things, amends section 5318(h) to title 31 of the United States Code to: (1) Require financial institutions to establish countering the financing of terrorism (CFT) in addition to AML programs; (2) require FinCEN to establish national AML/CFT priorities

and, as appropriate, promulgate implementing regulations within 180 days of the issuance of those priorities; and (3) provide that the duty to establish, maintain, and enforce a Bank Secrecy Act AML/CFT program remains the responsibility of, and must be performed by, persons in the United States who are accessible to, and subject to oversight and supervision by, the Secretary of the Treasury and the appropriate Federal functional regulator. Additionally, FinCEN intends to propose other changes, including regulatory amendments to establish that all financial institutions subject to an AML/CFT program requirement must maintain an effective and reasonably designed AML/CFT program, and that such a program must include a risk assessment process.

Abstract: FinCEN is finalizing amendments to the regulatory definitions of “broker or dealer in securities” under the regulations implementing the Bank Secrecy Act. The changes are intended to expand the current scope of the definitions to include funding portals. In addition, these amendments would require funding portals to implement policies and procedures reasonably designed to achieve compliance with all of the Bank Secrecy Act requirements that are currently applicable to brokers or dealers in securities. The rule to require these organizations to comply with the Bank Secrecy Act regulations is intended to help prevent money laundering, terrorist financing, and other financial crimes.

Abstract: In October 2020, the Board of Governors of the Federal Reserve System and FinCEN (collectively, the “Agencies”) issued a proposed rule to modify the threshold in the rules implementing the Bank Secrecy Act requiring financial institutions to collect and retain information on certain funds transfers and transmittals of funds. The modification would reduce this threshold from \$3,000 for certain funds transfers and transmittals of funds. At the same time, FinCEN likewise issued a proposal to reduce from \$3,000 the threshold in the rule requiring financial institutions to transmit to other financial institutions in the payment chain information on certain funds transfers and transmittals of funds. The public comment period for the proposed rulemaking expired on November 27, 2020. The Agencies are working to develop a rule in light of the comments received from the public.
