SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-94047; File No. SR-NYSE-2022-02]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change of Non-Substantive Conforming Changes to Rule 9120

January 25, 2022.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on January 10, 2022, New York Stock Exchange LLC (the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes non-substantive conforming changes to Rule 9120 of the Exchange's disciplinary rules. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes non-substantive conforming changes to Rule

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

¹¹ 17 CFR 200.30-3(a)(12).

9120 (Definitions) of the Exchange's disciplinary rules.

In 2013, the Exchange adopted rules relating to investigation, discipline, sanction, and other procedural rules based on the rules of the Financial Industry Regulatory Authority ("FINRA").⁴ Rule 9120 defines certain terms used in the Exchange's disciplinary rules, including "Department of Market Regulation" in paragraph (i) and "Enforcement" in paragraph (m). The definition of Enforcement in Rule 9120(m) includes the Department of Market Regulation of FINRA as defined in Rule 9120(i).

In 2018, FINRA created a unified enforcement function and eliminated the separate enforcement function in the Department of Market Regulation.⁵ In order to reflect FINRA's revised organizational structure, the Exchange accordingly proposes to delete the definition of Department of Market Regulation in Rule 9120(i) and mark paragraph (i) "Reserved" in order to maintain the Rule's sequencing. In addition, the Exchange proposes to delete Department of Market Regulation of FINRA from the definition of Enforcement in Rule 9120(m). As proposed, Rule 9120(m) would provide that the term "Enforcement" refers to (A) any department reporting to the Chief Regulatory Officer (defined as "CRO") of the Exchange with responsibility for investigating or, when appropriate after compliance with the Rule 9000 Series, imposing sanctions on a member organization or covered person and (B) the Department of Enforcement of FINRA.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5),⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in

general, to protect investors and the public interest.

In particular, the Exchange believes that the proposed non-substantive conforming changes would remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest because the proposed non-substantive changes would add clarity, transparency and consistency to the Exchange's rules. The Exchange believes that market participants would benefit from the increased clarity, thereby reducing potential confusion and ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the Exchange's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but is rather concerned with making non-substantive conforming changes to the Exchange rules.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-NYSE-2022-02 on the subject line.

- All submissions should refer to File Number SR-NYSE-2022-02. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–94054; File No. SR–NYSEArca–2021–53]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Designation of a Longer Period for Commission Action on Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To List and Trade Shares of the Teucrium Bitcoin Futures Fund Under NYSE Arca Rule 8.200–E, Commentary .02 (Trust Issued Receipts)

January 25, 2022.

On July 23, 2021, NYSE Arca, Inc. (“NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² a proposed rule change to list and trade shares of the Teucrium Bitcoin Futures Fund under NYSE Arca Rule 8.200–E, Commentary .02 (Trust Issued Receipts). The proposed rule change was published for comment in the **Federal Register** on August 11, 2021.³

On September 15, 2021, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ On November 8, 2021, the Commission instituted

proceedings under Section 19(b)(2)(B) of the Act⁶ to determine whether to approve or disapprove the proposed rule change.⁷

Section 19(b)(2) of the Act⁸ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for comment in the **Federal Register** on August 11, 2021.⁹ The 180th day after publication of the proposed rule change is February 7, 2022. The Commission is extending the time period for approving or disapproving the proposed rule change for an additional 60 days.

The Commission finds that it is appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider the proposed rule change and the issues raised in the comments that have been submitted in connection therewith. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates April 8, 2022, as the date by which the Commission shall either approve or disapprove the proposed rule change (File No. SR–NYSEArca–2021–53).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹

Assistant Secretary.
