

publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Cooperative Agreement to Support Navigators in Federally-facilitated Exchanges; *Use:* Section 1311(i) of the PPACA requires Exchanges to establish a Navigator grant program under which it awards grants to eligible individuals and entities (as described in Section 1311(i)(2) of the PPACA and 45 CFR 155.210(a) and (c)) applying to serve consumers in States with a FFE. Navigators assist consumers by providing education about and facilitating selection of qualified health plans (QHPs) within the Exchanges, as well as other required duties. Entities and individuals cannot serve as federally certified Navigators and carry out the required duties without receiving federal cooperative agreement funding. On July 1, 2021, HHS published the Updating Payment Parameters, Section 1332 Waiver Implementing Regulations, and Improving Health Insurance Markets for 2022 and Beyond Proposed Rule proposed rule. The proposed regulations would amend federal regulations at 45 CFR 155.210(e)(9) to reinstitute the requirement that FFE Navigators provide consumers with information and assistance on access, affordability and certain post-enrollment topics, such as the eligibility appeals process, the Exchange-related components of the Premium Tax Credit (PTC) reconciliation process, and the basic concepts and rights of health coverage and how to use it.

Under the Terms and Conditions of the Navigator program cooperative agreements, awardees must provide progress reports on a weekly, monthly, quarterly and annual basis during the

cooperative agreement period of performance, and a final report at the end of the period of performance. Awardees will submit their progress reports electronically to CMS staff for evaluation and analysis. The results of this evaluation will provide feedback on the effectiveness of the Navigator program, so that HHS and CMS leadership may evaluate the effectiveness of the program and address any areas that need revisions. CMS will also use the information collected from Navigator grant awardees to inform the public about the availability of application and enrollment assistance services from designated organizations. *Form Number:* CMS-10463 (OMB control number: 0938-1215); *Frequency:* Annually, Monthly, Quarterly, Weekly; *Affected Public:* Private sector; *Number of Respondents:* 100; *Total Annual Responses:* 5,200; *Total Annual Hours:* 529,000. For questions regarding this collection contact Gian Johnson at 301-492-4323.
