Changes Since the Preliminary Results

No interested parties filed comments on the *Preliminary Results* and we made no changes to the subsidy calculations for Ozdemir in the final results of this review. Thus, there is no decision memorandum accompanying these final results.

Final Results of Administrative Review

In accordance with section 777A(e)(1) of the Act and 19 CFR 351.221(b)(5), we determine that the following net countervailable subsidy rate exists for Ozdemir for the period January 1, 2019, through December 31, 2019:⁴

⁴ We have made no changes to this rate since the *Preliminary Results*. Therefore, no additional

Assessment Rates

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review, pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2). Because we calculated a *de minimis* countervailable subsidy rate for Ozdemir in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to countervailing duties in accordance with 19 CFR 351.212(b)(2) and 19 CFR 351.106(c)(2).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirement

Pursuant to section 751(a)(1) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties at the appropriate rates.⁵ For shipments of subject merchandise by Ozdemir entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results, the cash deposit rate will be zero. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary

disclosure of calculations is necessary for these final results under 19 CFR 351.224(b).

⁵ See also section 751(a)(2)(C) of the Act (“The {results of the} determination . . . shall be the basis for the assessment of countervailing or antidumping duties on entries of merchandise covered by the determination and for deposits of estimated duties.”).

information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
