

## Request for Information

To ensure that a 5-year review is complete and based on the best available scientific and commercial information, we request new information from all sources. See What Information do we consider in our review? for specific criteria. If you submit information, please support it with documentation such as maps, bibliographic references, methods used to gather and analyze the data, and/or copies of any pertinent publications, reports, or letters by knowledgeable sources.

### How do I ask questions or provide information?

If you wish to provide information for any species listed above, please submit your comments and materials to the appropriate contact in the table above. You may also direct questions to those contacts. Individuals who are hearing impaired or speech impaired may call the Federal Relay Service at 800-877-8339 for TTY assistance.

### Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

### Completed and Active Reviews

A list of all completed and currently active 5-year reviews can be found at <https://ecos.fws.gov/ecp/report/species-five-year-review>.

### Authority

This document is published under the authority of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1283]

### Certain Composite Baseball and Softball Bats and Components Thereof; Commission Determination Not To Review Two Initial Determinations Granting Complainant's Motion To Amend the Complaint and Notice of Investigation To Add a Respondent and Extending the Target Date for Completion of This Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission (the "Commission") has determined not to review two initial determinations ("ID") issued by the then-presiding, former chief administrative law judge ("CALJ") granting the complainant's motion to amend the complaint and notice of investigation to add a new respondent (Order No. 8) and extending the target date for completion of this investigation to May 2, 2023 (Order No. 9).

**FOR FURTHER INFORMATION CONTACT:** Carl P. Bretscher, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2382. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket system ("EDIS") at <https://edis.usitc.gov>. For help accessing EDIS, please email [EDIS3Help@usitc.gov](mailto:EDIS3Help@usitc.gov). General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal, telephone (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on November 2, 2021, based on a complaint filed and supplemented by Easton Diamond Sports, LLC of Thousand Oaks, California ("Easton"). 86 FR 60468-469 (Nov. 2, 2021). The complaint alleges a violation of section 337 of the Tariff Act, as amended, 19 U.S.C. 1337, based on the importation, sale for importation, or sale in the United States after importation of certain composite baseball and softball bats and components thereof by reason of infringement of one or more asserted claims of U.S. Patent No. 6,997,826. *Id.*

The complaint further alleges the existence of a domestic industry. *Id.*

The Commission's notice of investigation names Juno Athletics LLC of Aventura, Florida ("Juno"); Monsta Athletics LLC of Calimesa, California ("Monsta"); and Proton Sports Inc. of Scottsdale, Arizona as respondents. *Id.* at 60469. The Office of Unfair Import Investigations is not participating as a party to this investigation. *Id.*

On November 30, 2021, Easton moved pursuant to Commission Rule 210.14 (19 CFR 210.14) for leave to amend the complaint and notice of investigation to add TianChang Zhengmu Aluminum Co., Ltd. ("TZA") as a respondent because TZA is allegedly [] composite softball and baseball bats and components thereof, *e.g.*, handles and barrels. On December 9, 2021, Monsta filed a response stating that it did not oppose Easton's motion, provided the target date is extended. No other response was filed.

On December 28, 2021, the CALJ issued the first of the subject IDs (Order No. 8) granting Easton's motion on the basis that a single proceeding will promote judicial efficiency, conserve Commission's resources, and best serve the public interest. Order No. 8 at 2 (Dec. 28, 2021). The subject ID further agrees with Monsta that a two-month extension of time is appropriate, which the ALJ addressed in a separate ID. *Id.* at 2 n.5.

On December 29, 2021, the former CALJ issued the second of the subject IDs (Order No. 9) pursuant to Commission Rule 210.51 (19 CFR 210.51), extending the target date to May 2, 2023. Order No. 9 at 1 (Dec. 29, 2021). Order No. 9 also rescheduled the evidentiary hearing to October 3-7, 2022, and the deadline for issuing the final initial determination to January 3, 2023. *Id.*

On January 5, 2022, Easton filed a motion to terminate TZA by withdrawing the complaint against it. Easton also moved for reconsideration of Order Nos. 8 and 9 as moot and to stay all proceedings with respect to TZA. On January 18, 2022, Monsta and Juno filed responses in opposition to Easton's motion. On January 20, Easton filed a motion for leave to file a reply to Monsta's and Juno's oppositions.

On January 5, 2022, Easton filed a petition for review and vacatur of Order Nos. 8 and 9 in view of its motion to withdraw its complaint with respect to TZA and to terminate TZA from this investigation.

On January 12, 2022, Monsta filed an opposition to Easton's petition for review. No other response to Easton's petition was filed.

Upon review of the subject ID and the parties' submissions, the Commission has determined not to review, and thereby adopts, both Order No. 8 and Order No. 9 without prejudice to Easton's pending motion to terminate the investigation with respect to TZA. The target date for completion of this investigation is hereby extended to May 2, 2023.

The Commission voted to approve this determination on January 25, 2022.

The authority for the Commission's determinations is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 27, 2022.

**Lisa Barton,**

Secretary to the Commission.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Proposed Modification to Consent Decree Under the Clean Water Act

On January 27, 2022, the Department of Justice lodged a proposed modification to the consent decree with the United States District Court for the District of New Jersey in *United States v. Jersey City Municipal Utilities Authority*, Civil Action No. 2:11-cv-04120 (D.N.J.).

The United States filed this lawsuit in 2011 under the Clean Water Act ("Act"). The complaint sought injunctive relief and civil penalties for violations of the Act related to discharges of pollutants from Jersey City Municipal Utilities Authority's ("JCMUA") combined sewer system ("CSS") through numerous outfalls into Penhorn Creek, the Hackensack River, Newark Bay, and the Lower Hudson River. The consent decree entered by the Court on September 27, 2011 provides for JCMUA to perform injunctive measures as described in the consent decree, to pay a civil penalty, and to perform a supplemental environmental project. The proposed modification to the consent decree, among other things: (1) Expands injunctive relief requirements to ensure that three projects under the consent decree—*i.e.*, (a) repairs to the CSS to address flooding and sewer backups; (b) the cleaning and replacement as necessary of certain city sewer lines; and (c) improvements to pump stations—are completed in a

manner necessary to bring the CSS into compliance with the Clean Water Act; (2) extends the time periods for JCMUA to complete these projects; and (3) creates a schedule for JCMUA to perform voluntary removal of numerous lead drinking water service lines.

The publication of this notice opens a period for public comment on the modification to the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Jersey City Municipal Utilities Authority*, D.J. Ref. No. 90-5-1-1-09499. All comments must be submitted no later than sixty (60) days after the publication date of this notice. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email .....	<a href="mailto:pubcomment-ees.enrd@usdoj.gov">pubcomment-ees.enrd@usdoj.gov</a>
By mail .....	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

During the public comment period, the proposed modification to the consent decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the proposed modification upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

Please enclose a check or money order for \$6.00 (25 cents per page reproduction cost) payable to the United States Treasury.

**Henry S. Friedman,**

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.

## DEPARTMENT OF LABOR

### Agency Information Collection Activities; Submission for OMB Review; Comment Request; International Price Program U.S. Import and Export Price Indexes

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting this Bureau of Labor

Statistics (BLS)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that the agency receives on or before March 4, 2022.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

**FOR FURTHER INFORMATION CONTACT:** Mara Blumenthal by telephone at 202-693-8538, or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** The U.S. Import and Export Price Indexes, produced by the Bureau of Labor Statistics' International Price Program (IPP), measure price change over time for all categories of imported and exported products, as well as selected services. The IPP has produced the U.S. Import Price Indexes (MPI) continuously since 1973 and the U.S. Export Price Indexes (XPI) continuously since 1971. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 1, 2021 (86 FR 60293).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of
